Wigs

A wig is an artificial covering of hair for all or most of the head made of either synthetic or natural hair.

Original Medicare

Wigs of any type, wig stands, and wig-related adhesives aren't covered under Original Medicare for any reason or condition.

BCN Advantage enhanced benefit

BCN Advantage is a Medicare Advantage plan that provides at least the same level of benefit coverage as Original Medicare (Part A and Part B) and may provide enhanced benefits beyond the scope of Original Medicare within a single health care plan. This flexibility allows Blue Care Network to offer enriched plans by using Original Medicare as the base program and adding desired benefit options.

Coverage for wigs, wig stands, and wig-related adhesives is provided to members under the BCN Advantage group plans that select this benefit. The group determines the scope of the benefit, reimbursement methodology, maximum allowed amounts and the member's cost sharing.

Wigs must be prescribed by a physician and hair loss must be due to chemotherapy.

Reimbursement

To find BCN Advantage plan's maximum payment amount for wigs, wig stands and wig-related adhesives, visit our provider portal, [Availity Essentials](#). Within Secure Provider Resources, click on BCN Fee Schedules under the *Fee Schedules* tab and follow the instructions. The provider will be paid the lesser of this allowed amount or the provider's charge, minus the member's cost share. This represents payment in full and providers aren't allowed to bill the member for the difference between the allowed amount and the charge.

- **State of Michigan**
 - The State of Michigan's MA plan benefit for claims submitted for payment consideration by their members is payable up to the \$300 lifetime maximum.
- **UAW Retirees Medical Benefits Trust**
 - The UAW Retirees Medical Benefits Trust allows up to 100% coverage up to \$250 annual maximum.
- **University of Michigan**
 - Covered 100% (no deductible or copay/coinsurance) with physician prescription/prior authorization.

Member cost share

- BCN Advantage providers should collect the applicable cost share from the member at the time the item or service is provided. Cost share refers to a flat dollar copayment, a percentage coinsurance or a deductible. Providers can only collect the appropriate BCN Advantage cost share amounts from the member.
- Members who elect to receive a noncovered item or service are responsible for the entire charge associated with that item or service.
- Providers may not have members sign an Advance Beneficiary Notice of Noncoverage to accept financial responsibility for noncovered items or services. If there is any question about whether an item is covered, seek a coverage determination from Blue Care Network before providing the item to the member. If a provider issues a noncovered item to a member without first obtaining a coverage determination, the member must be held harmless for all charges except for any applicable cost share.

To verify benefits and cost share, providers may use our provider portal or call 1-800-344-8525.
