## Definitions

These definitions will help you understand the terms that we use in this Certificate. They apply to the entire Certificate. More terms are defined in later sections as necessary. In addition to these terms, use of the terms “we”, “us” and “our” refer to BCN or another entity or person BCN authorizes to act on its behalf. The terms “you” or “your” refer to the Member, which may be enrolled with BCN as either a Subscriber or Family Dependent.

**Acute Care or Service** is medical care that requires a wide range of medical, surgical, obstetrical and pediatric services. It generally requires a hospital stay of less than 30 days.

**Acute Illness or Injury** is one that is characterized by sudden onset (e.g., following an injury) or presents as an exacerbation of disease and is expected to last a short period of time after treatment by medical or surgical intervention.

**Approved Amount also known as the Allowed Amount** is the lower of the billed charge or the maximum payment level BCN will pay for the Covered Service. The Approved Amount is reduced by any Cost Sharing, which may be required of you, before we make our payment.

**Assertive Community Treatment** is a service-delivery model that provides intensive, locally based treatment to people with serious persistent mental illnesses.

**Balance Billing** is when a provider bills you for the difference between their charge for a Covered Service and the Approved Amount. A BCN Participating Provider may not balance bill you for Covered Services.

**Benefit** is a covered health care service that your plan helps pay for as described in this Certificate.

**BlueCard Program** is a program that, subject to Blue Cross® and Blue Shield® Association policies and the rules set forth in this Certificate of Coverage, allows BCN to process claims incurred in other states through the applicable Blue Cross® and Blue Shield® Plan.

**Blue Care Network (BCN)** is a Michigan health maintenance organization in which you are enrolled. The reference to Blue Care Network may include another entity or person Blue Care Network authorizes to act on its behalf.

**Calendar Year** is a period of time beginning January 1 and ending December 31 of the same year.

is not altered by an audit or recovery. Your Coinsurance is added or amended when a Rider is attached. The Coinsurance applies to the Out-of-Pocket Maximum.

**Continuity of Care** refers to a Member's right to choose, in certain circumstances, to continue receiving services from a physician or Facility that ends its participation with BCN. (See Section 8)

**Coordination of Benefits (COB)** means a process for determining which certificate or policy is responsible for paying benefits first for Covered Services (primary carrier) when you have coverage under more than one policy. Benefit payments are coordinated between the two carriers to provide 100% coverage whenever possible for services covered in whole or in part under either plan, but not to pay in excess of 100% of the total allowable amount to which providers or you are entitled

**Copayment (Copay)** is a fixed dollar amount you may owe for certain Covered Services usually when you receive the service. Your Copay is amended when a Rider is attached. Copay amounts might be different for different health care services. For example, your Emergency room Copay might be higher than your office visit Copay. The Copay applies to the Out-of-Pocket Maximum.

**Cost Sharing (Deductible, Copayment and Coinsurance)** is the portion of health care costs you owe as defined in this Certificate and any attached Riders. We pay the balance of the Allowed Amount for Covered Services.

Payments made toward your Deductible are based on the Approved Amount at the time the claims are processed or reprocessed. Your Deductible is not altered by an audit or recovery. Your Deductible amount is added or amended when a Rider is attached. The Deductible does not apply to all services. The Deductible applies to the Out-of-Pocket Maximum.

**Dependent Child** is an eligible individual under the age of 26 who is the son or daughter in relation to the Subscriber or spouse by birth or legal adoption or for whom the Subscriber or spouse has legal guardianship. **NOTE:** A Principally Supported Child is not a Dependent Child for purposes of this Certificate. - Not primarily for the convenience of the Member or health care provider, and not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that Member's illness, injury or disease;

Services and supplies requiring Preauthorization may change as new technology and standards of care emerge. ## Chapter 1 — GENERAL PROVISIONS

### Section 1: Eligibility, Enrollment, and Effective Date of Coverage

This section describes eligibility, enrollment and effective date of Coverage.

#### 1.1 Eligibility

You must meet eligibility requirements set by BCN. Certain requirements depend on whether you are one of the following:

- Group Subscriber
- Family Dependent
- Dependent under a Qualified Medical Child Support Order
- Principally Supported Child

You must live in the BCN Service Area unless stated otherwise in this chapter.

#### A. Group Subscriber

You must do all of the following:

- Live in the BCN Service Area
- Be a member, an active employee, or eligible retiree of a Group
- Meet the Group's eligibility requirement

#### Enrollment

You must enroll within 31 days of becoming eligible or during an Open Enrollment Period.

NOTE: If you decline enrollment because of having other coverage, and that coverage ends, You may enroll if any COBRA coverage is exhausted, or if the other coverage was terminated as a result of loss of employer contributions or loss of eligibility.

You must request enrollment within 31 days after the other coverage ends.

#### Effective Date

The effective date of Coverage depends on the contract between the Group and BCN.

#### B. Family Dependents and Dependents under a Qualified Medical Child Support Order

A Family Dependent may be:

- The legally married spouse of the Subscriber
- A Dependent Child - a Subscriber's child including natural child, stepchild, legally adopted child or child placed for adoption or foster child placed by an agency or court

order. The Dependent Child's spouse is not covered under this Certificate. The Dependent Child's children may be covered in limited circumstances.

**NOTE:** Newborn children, including grandchildren, may qualify for limited benefits immediately following their birth even though they are not listed on your contract. If the Member who gave birth to the newborn is covered under this contract, see maternity care in the Inpatient Hospital Services section of this Certificate.

- A Dependent under a Qualified Medical Child Support Order

**Dependent Children and a Dependent under a Qualified Medical Child Support Order** are eligible for Coverage until they become 26 years old. The child's BCN membership terminates at the end of the Calendar Year in which they become 26.

**Exception:** An unmarried Dependent Child and Dependent under a Qualified Medical Child Support Order who becomes 26 while enrolled and who is totally and permanently disabled may continue health care Coverage if:

- The child is incapable of self-sustaining employment because of developmental disability or physical handicap;
- The child relies primarily on the Subscriber for financial support;
- The child lives in the Service Area; and
- The disability began before their 26th birthday.

Physician certification, verifying the child's disability and that it occurred prior to the child's 26th birthday, must be submitted to BCN by the end of the Calendar Year in which the child turns 26.

If the disabled child is entitled to Medicare benefits, BCN must be notified of Medicare coverage in order to coordinate member benefits.

**NOTE:** A Dependent Child whose only disability is a learning disability or substance use disorder does not qualify for health care coverage under this exception.

## **Enrollment**

All Eligible Family Dependents may be added to the Subscriber's contract as follows:

- During the annual Open Enrollment Period
- When the Subscriber enrolls
- Within 31 days of a "qualifying event", that is, birth, marriage, placement for adoption, qualified medical child support order or foster care placement. **NOTE:** See below for additional requirements for Dependents under a Qualified Medical Child Support Order.
- Adopted children are eligible for health care Coverage from the date of placement. **NOTE:** Placement means when the Subscriber becomes legally responsible for the child; therefore, the child's Coverage may begin before the child lives in the Subscriber's home.

- If the eligible Family Dependents were not enrolled because of other coverage, and they lose their coverage, the Subscriber may add them within 31 days of their loss of coverage with supporting documentation.

NOTE: Other non-enrolled eligible Family Dependents may be added at the same time as the newly qualified Family Dependent.

### ***Effective Date of Coverage***

#### **Other than Dependent under a Qualified Medical Child Support Order**

- Coverage is effective on the date of the qualifying event if the Family Dependent is enrolled within 31 days of the event.
- If the Family Dependent is not enrolled within 31 days, Coverage will not begin until the next Open Enrollment Period's effective date.
- For a Family Dependent who lost coverage and notifies BCN within 31 days, Coverage will be effective when the previous coverage lapses. If you do not notify BCN within 31 days, Coverage will not begin until the next Open Enrollment Period's effective date.
- Adopted children are eligible for Coverage from the date of placement.

#### ***Dependent under a Qualified Medical Child Support Order***

The child will be enrolled under a Qualified Medical Child Support Order if the Subscriber is under court or administrative order that makes the Subscriber legally responsible to provide Coverage.

NOTE: A copy of the court order, court-approved settlement agreement or divorce decree is required to enroll the child. If you have questions about whether an order is "qualified" for purposes of State law, call your group representative or Customer Service at the number provided on the back of your ID card.

### ***Enrollment***

The child may be enrolled at any time, preferably within 31 days of the court order.

In addition:

- If the Subscriber parent who is under a court or administrative order to provide Coverage does not apply, the other parent or the state Medicaid agency may apply for Coverage for the child.
- If the parent, who is under court or administrative order to provide Coverage for the child, is not already a Subscriber, that parent may enroll (if eligible) when the child is enrolled.
- Neither parent may dis-enroll the child from an active contract while the court or administrative order is in effect unless the child becomes covered under another plan.

### ***Effective Date of Coverage***

If BCN receives notice within 31 days of the court or administrative order, Coverage is effective as of the date of the order.

If BCN receives notice after 31 days of the court or administrative order, Coverage is effective on the date BCN receives notice.

### **C. Principally Supported Child**

A Principally Supported Child must:

- Not be the child of the Subscriber or spouse by birth, legal adoption or legal guardianship
- Be related to the Subscriber by blood or marriage (for example, grandchild, niece or nephew)

- Be unmarried
- Live full-time in the home with the Subscriber
- Not be eligible for Medicare or other group Coverage, and

You may apply for Coverage for a Principally Supported Child after you have been the principal support for 6 months.

To apply, you must furnish the following:

- Evidence that the child was reported as a dependent on the Subscriber's most recently filed tax return; **or**
- Evidence and a sworn statement that the dependent qualifies for dependent tax status in the current year; **and**
- Proof of eligibility, if we request it.

Coverage for a Principally Supported Child begins on the first day of the month 3 months after application and proof of support is received and accepted by BCN. The Group must remit premium to BCN prior to the effective date of coverage.

### **Additional Eligibility Guidelines**

The following guidelines apply to all Members:

- **Medicare:** If you become eligible to enroll in Medicare, you are eligible to enroll in only the applicable Medicare program except when Medicare is secondary payer by law.

**Note:** If you are Medicare eligible and a service is covered under Medicare, benefits will not be payable under this Certificate. This Certificate is not a Medicare Certificate. It is not intended to fill the gaps in Medicare Coverage, and it may duplicate some Medicare benefits. If you are eligible for Medicare, you will need to switch to an applicable BCN Medicare plan. If this Certificate is maintained, you will be responsible for the cost Medicare would have paid and you will incur larger out of pocket costs.

- **Service Area Waiver:** Under certain circumstances, BCN may waive the Service Area requirement for a Subscriber or other Member on the Contract that lives outside the Service Area. Any waiver may be requested in writing.
- **Change of Status:** You agree to notify the Group and the Group agrees to notify BCN within 31 days of any change in eligibility status of you or any Members on the Contract. The Subscriber and Family Dependents are jointly and severally responsible for payment for any services or Benefits received from BCN after the Subscriber and Family Dependent(s) ceases to be eligible for Coverage pursuant to the terms of this Certificate regardless of whether or not notice was given. When you are no longer eligible for Coverage, you are responsible for payment for any services or benefits.
- BCN will only pay for Covered Services you receive when you are a BCN Member covered under this Certificate. If you are admitted to a Hospital or Skilled Nursing Facility either when you become a Member or when your BCN membership ends, BCN will only pay for Covered Services provided during the time you were a Member.

## 1.2 Enrollment

- Persons who are eligible to enroll during an Open Enrollment Period must enroll at that time or must wait until the next Open Enrollment Period;
- Persons who first become eligible to enroll at a time other than during the Open Enrollment Period must enroll within 31 days of becoming eligible. For example, new Employees will be allowed 31 days from the date of becoming eligible to enroll regardless of when the Group's Open Enrollment Period is;
- Eligible newborn children will be covered from birth if enrolled within 31 days of birth (See Section 1.1.); and
- To enroll, a completed enrollment application must be submitted to the Group and the application and appropriate premium amount must be received by BCN from the Group.

## 1.3 Effective Date of Coverage

Subscribers and other Family Dependents will be covered under this Certificate on the effective date of Coverage agreed upon between the Group and BCN after all of the requirements below have been met:

- The names of the Subscriber and enrolled Family Dependents have been received from the Group in writing by BCN.
- The appropriate premium has been received by BCN from the Group for all listed Subscribers and enrolled Family Dependents.
- BCN will only pay for Covered Services you receive when you are a BCN Member covered under this Certificate. If you are admitted to a Hospital or Skilled Nursing Facility either when you become a Member or when your BCN membership ends,

BCN will only pay for Covered Services provided during the time you were a Member.

## **Section 2: Other Party Liability**

### **IMPORTANT NOTICE**

BCN does not pay claims or coordinate Benefits for services that:

- Are not provided or Preauthorized by BCN and a Primary Care Physician; and
- Are not Covered Services under this Certificate.

It is your responsibility to provide complete and accurate information when requested by us in order to administer Section 2. Failure to provide requested information, including information about other Coverage, may result in denial of claims.

### **2.1 Non-Duplication**

- BCN provides each Member with full health care services within the limits of this Certificate.
- BCN does not duplicate benefits provided or paid for by another party nor provide a Member with greater benefits than the actual expenses incurred.
- Benefits under this Plan will be reduced to the extent that they are available or that reimbursement is payable under any other group certificate, group insurance policy, or other group program covering the Member whether or not a claim is made for the benefits.
- Benefits will be coordinated, as outlined below, to provide 100% coverage in whole or in part under either plan but in no event will benefits be provided which would result in payments in excess of 100% of the total amounts to which providers or Members are entitled.
- As a health maintenance organization, BCN is not required to pay claims or coordinate benefits for services that are not provided or Preauthorized by BCN or BCN Participating Physician and which are not a Benefit under this Certificate. Under state law BCN is prohibited from making any direct monetary payment or reimbursement to Members related to services received except as specifically allowed by law.

### **2.2 Workers' Compensation and Auto Policy Claims**

- Benefits under this Certificate exclude services and treatment for any work-related injury to the extent that benefits are paid or payable under any workers' compensation program or other similar program. Where services are provided by BCN, BCN is assigned the Member's rights to seek reimbursement from the other program or insurer.

- Benefits under this Certificate will not be reduced because of the existence of coverage under a Member's non-coordinated no-fault automobile policy; the health plan will assume primary liability to provide benefits available under this Certificate in accordance with this Certificate's terms and conditions.

### **2.3 Coordination of Benefits**

We coordinate Benefits payable under this Certificate per Michigan's Coordination of Benefits Act.

When you have coverage under a policy or certificate that does not contain a coordination of benefits provision, that policy will pay first as the Primary Plan. This means benefits under the other coverage will be determined before the benefits of your BCN Coverage.

After those benefits are determined, your BCN benefits and the benefits of the other plan will be coordinated to provide 100% coverage whenever possible for services covered partly or totally under either plan. In no case will payments be more than the amounts to which providers or you as a Member are entitled, and you may still have a remaining Member Liability after all plans have made payment.

### **2.4 Subrogation and Reimbursement**

Subrogation is the assertion by BCN of your right, or the rights of your dependents or representatives, to make a legal claim against or to receive money or other valuable consideration from another person, insurance company or organization.

Reimbursement is the right of BCN to make a claim against you, your dependents or representatives if you or they have received funds or other valuable consideration from another party responsible for benefits paid by BCN.

### **Definitions**

The following terms are used in this section and have the following meanings:

“**Claims for Damages**” means a lawsuit or demand against another person or organization for compensation for an injury to a person when the injured party seeks recovery for medical expenses.

“**Collateral Source Rule**” is a legal doctrine that requires the judge in a personal injury lawsuit to reduce the amount of payment awarded to the plaintiff by the amount of benefits BCN paid on behalf of the injured person.

“**Common Fund Doctrine**” is a legal doctrine that requires BCN to reduce the amount received through subrogation by a pro rata share of the plaintiff's court costs and attorney fees.

“**First Priority Security Interest**” means the right to be paid before any other person from any money or other valuable consideration recovered by:

- Judgment or settlement of a legal action

- Settlement not due to legal action
- Undisputed payment

“**Lien**” means a first priority security interest in any money or other valuable consideration recovered by judgment, settlement or otherwise up to the amount of benefits, costs and legal fees BCN paid as a result of the plaintiff’s injuries.

“**Made Whole Doctrine**” is a legal doctrine that requires a plaintiff in a lawsuit to be fully compensated for their damages before any Subrogation Liens may be paid.

“**Other Equitable Distribution Principles**” means any legal or equitable doctrines, rules, laws or statues that may reduce or eliminate all or part of BCN’s claim of Subrogation.

“**Plaintiff**” means a person who brings the lawsuit or claim for damages. The plaintiff may be the injured party or a representative of the injured party.

### ***Your Responsibilities***

In certain cases, BCN may have paid for health care services for you or other Members on the Contract which should have been paid by another person, insurance company or organization. In these cases:

- You assign to us your right to recover what BCN paid for your medical expenses for the purpose of subrogation. You grant BCN a Lien or Right of Recovery.
- Reimbursement on any money or other valuable consideration you receive through a judgment, settlement or otherwise regardless of 1) who holds the money or other valuable consideration or where it is held, 2) whether the money or other valuable consideration is designated as economic or non-economic damages, and 3) whether the recovery is partial or complete.
- You agree to inform BCN when your medical expenses should have been paid by another party but were not due to some act or omission.
- You agree to inform BCN when you hire an attorney to represent you, and to inform your attorney of BCN rights and your obligations under this Certificate.
- You must do whatever is reasonably necessary to help BCN recover the money paid to treat the injury that caused you to claim damages for personal injury.
- You must not settle a personal injury claim without first obtaining written consent from BCN if the settlement relates to services paid by BCN.
- You agree to cooperate with BCN in our efforts to recover money we paid on your behalf.
- You acknowledge and agree that this Certificate supersedes any Made Whole Doctrine, Collateral Source Rule, Common Fund Doctrine or other Equitable Distribution Principles.
- You acknowledge and agree that this Certificate is a contract between you and BCN and any failure by you, other Members on the Contract or representatives to follow the terms of this Certificate will be a material breach of your contract with us.

- a. When you accept a BCN ID card for Coverage, you agree that, as a condition of receiving benefits and services under this Certificate, you will make every effort to recover funds from the liable party.
- b. When you accept a BCN ID card for Coverage, it is understood that you acknowledge BCN's right of subrogation. If BCN requests, you will authorize this action through a subrogation agreement. If a lawsuit by you or by BCN results in a financial recovery greater than the services and benefits provided by BCN, BCN has the right to recover its legal fees and costs out of the excess.
- c. When reasonable collection costs and legal expenses are incurred in recovering amounts that benefit both you and BCN, the costs and legal expenses will be divided equitably.
- d. You agree not to compromise or settle a claim or take any action that would prejudice the rights and interests of BCN without getting BCN's prior written consent.
- e. If you refuse or do not cooperate with BCN regarding subrogation, it will be grounds for terminating membership in BCN upon 31 days written advance notice. BCN will have the right to recover from you the value of services and benefits provided to you.

## **Section 3: Member Rights and Responsibilities**

### **3.1 Confidentiality of Health Care Records**

Your health care records are kept confidential by BCN, its agents and the providers who treat you.

**You agree** to permit providers to release information to BCN. This can include medical records and claims information related to services you may receive or have received.

**BCN agrees** to keep this information confidential. Consistent with our Notice of Privacy Practice, information will be used and disclosed only as preauthorized or required by or as may be permissible under law.

It is your responsibility to cooperate with BCN by providing health history information and helping to obtain prior medical records at the request of BCN.

### **3.2 Inspection of Medical Records**

You have access to your own medical records or those of your minor children or wards at your provider's office during regular office hours. In some cases, access to records of a minor without the minor's consent may be limited by law or applicable policy.

### **3.3 Primary Care Physician (PCP)**

BCN requires you to choose a Primary Care Physician. You have the right to designate any Primary Care Physician who is a Participating physician and who is available to accept you or your family members. If you do not choose a Primary Care Physician upon enrollment, BCN will choose one for you.

For children under the age of 18 (“Minors”), you may designate a Participating pediatrician as the Primary Care Physician if the Participating pediatrician is available to accept the child as a patient. Alternatively, the parent or guardian of a Minor may select a Participating family practitioner or general practitioner as the Minor’s Primary Care Physician, and may access a Participating pediatrician for general pediatric services for the Minor (hereinafter “Pediatric Services”). No PCP referral is required for a Minor to receive pediatric services from the Participating pediatrician.

You do not need Preauthorization from BCN or from any other person, including your Primary Care Physician, in order to obtain access to obstetrical or gynecological care from a Participating Provider who specializes in obstetric and gynecologic care. The Participating specialist, however, may be required to comply with certain BCN procedures, including obtaining Preauthorization, following a pre-approved treatment plan, or procedures for making referrals. The Member retains the right to receive the obstetrical and gynecological services directly from their Primary Care Physician.

Information on how to select a Primary Care Physician, and a list of Participating Primary Care Physicians, Participating pediatricians and Participating health care professionals (including certified and registered nurse midwives) who specialize in obstetrics or gynecology is available at [bcbsm.com](http://bcbsm.com) or by calling Customer Service at the number shown on the back of your BCN ID card.

If after reasonable efforts, you and the Primary Care Physician are unable to establish and maintain a satisfactory physician-patient relationship, you may be transferred to another Primary Care Physician. If a satisfactory physician-patient relationship cannot be established and maintained, you will be asked to dis-enroll upon 30 days written advance notice; all Dependent Family Members will also be required to dis-enroll from Coverage. (See Section 5)

### **3.4 Grievance Procedure**

BCN and your Primary Care Physician are interested in your satisfaction with the services and care you receive as a Member. If you have a problem relating to your care, we encourage you to discuss this with your Primary Care Physician first. Often your Primary Care Physician can correct the problem to your satisfaction. You are always welcome to contact our Customer Service Department with any questions or problems you may have.

We have a formal grievance process if you are unable to resolve your concerns through Customer Service, or wish to contest an Adverse Benefit Determination.

At any step of the grievance process, you may submit any written materials to help us in our review. You have 180 days from the date of discovery of a problem to file a grievance regarding a decision by BCN. There are no fees or costs charged to you when filing a grievance.

If you are member of an ERISA (Employee Retirement Security Act) qualified group, you have the right to bring a civil action against BCN after completing the BCN internal grievance procedures under the terms applying to ERISA groups. Non-ERISA group members, including their dependents, and non-group members, including their dependents, must exhaust all grievance steps (including external review by the Department of Insurance & Financial

Services) prior to filing civil action. You may obtain further information from the local U.S. Department of Labor or by contacting the Department of Insurance & Financial Services at the number and address below.

### **Definitions:**

**Adverse Benefit Determination** - means any of the following:

- A request for a benefit, on application of any utilization review technique, does not meet the requirements for medical necessity, appropriateness, health care setting, level of care, or effectiveness or is determined to be experimental or investigational and is therefore denied, reduced, or terminated or payment is not provided or made, in whole or in part, for the benefit
- The denial, reduction, termination, or failure to provide or make payment, in whole or in part, for a benefit based on a determination of a covered person's eligibility for coverage
- A determination that Surprise Billing protections are not applicable or the improper application of those protections, including the calculation of the applicable cost-share
- A prospective or retrospective review determination that denies, reduces, or terminates or fails to provide or make payment, in whole or in part, for a benefit
- A rescission of coverage determination
- Failure to respond in a timely manner to request for a determination

**Pre-Service grievance** is an appeal that you can file when you disagree with our preapproval decision for a service that you have not yet received.

**Post-Service grievance** is an appeal that you file when you disagree with our decision for a service that you have already received.

### **Step One: Review and Decision by the Appeals and Grievance Unit**

To submit a grievance, you or someone authorized by you in writing, must submit a statement of the problem in writing to the Appeals and Grievance Unit in the Customer Services department at the address listed below.

Appeals and Grievance Unit  
Blue Care Network  
P. O. Box 284  
Southfield, MI 48086-5043  
Fax 866-522-7345

The Appeals and Grievance Unit will review your grievance and give you our decision within 15 calendar days for Pre-Service grievances and within 30 calendar days for Post-Service grievances.

The person or persons who review the first-level grievance are not the same individuals involved in the initial determination. If an adverse determination is made, BCN will provide you with a written statement containing the reasons for the adverse determination, the next step of the grievance process and forms used to request the next grievance step. BCN will provide, upon

request and free of charge, all relevant documents and records relied upon in reaching an adverse determination.

If you are dissatisfied with the determination, you may appeal to Step Two within 180-calendar days of receipt of BCN's adverse determination. You, or a person authorized in writing to act for you, must notify the Appeals and Grievance Unit in writing and at the address above of your decision to appeal. If you do not file a Step Two grievance within the 180-calendar day timeframe, your grievance is considered abandoned and no further action may be taken.

### **Step Two: Review and decision by a BCN Step Two Member Grievance Panel**

If you appeal from Step One, BCN's Step Two Member Grievance Panel will review and reconsider the determination made at Step One. You, or someone authorized by you in writing, may present the grievance to the Step Two Member Grievance Panel in person or by telephone conference. For Pre-Service and Post-Service grievances, notification of the Step Two grievance resolution will be sent to you within 15 calendar days for Pre-Service and 30 calendar days for Post-Service. If the grievance pertains to a clinical issue, the grievance will be forwarded to an independent Medical Consultant within the same or similar specialty for review. If BCN needs to request medical information, an additional 10 business days may be added to the resolution time. When an adverse determination is made, a written statement will be sent within 5-calendar days of the Panel meeting, but not longer than 15-calendar days for Pre-Service and 30 calendar days for Post-Service after receipt of the request for review. Written confirmation will contain the reasons for the adverse determination, the next step of the grievance process and the form used to request an external grievance review. BCN will provide, upon request and free of charge, all relevant documents and records relied upon in reaching an adverse determination.

### **External Review**

If you do not agree with the decision at Step Two or our internal grievance process is waived, you may appeal to the Department of Insurance & Financial Services (DIFS) at <https://difs.state.mi.us/Complaints/ExternalReview.aspx> or at the addresses listed below:

Office of General Counsel – Health Care Appeals Section

Department of Insurance & Financial Services

(By mail)

P. O. Box 30220

Lansing, MI 48909-7720

(By delivery service)

530 W. Allegan St., 7<sup>th</sup> Floor

Lansing, MI 48933-1521

Phone: 877-999-6442

Fax: 517-284-8838

When filing a request for an external review, you will be required to authorize the release of any medical records that may be required to be reviewed for the purpose of reaching a decision on the external review.

If we fail to provide you with our final determination within 30-calendar days for Pre-Service grievances or 60-calendar days for Post-Service grievances (plus 10 business days if BCN requests additional medical information) from the date we receive your written grievance, you

will be considered to have exhausted the internal grievance process and may request an external review. You must do so within 127 days of the date you received either our final determination or the date our final determination was due. Mail your request for a standard external review, including the required forms that we will provide to you, to the address listed above. The Michigan Department of Insurance & Financial Services will independently review the Adverse Benefit Determination, including determinations related to the application of Surprise Billing protections under the No Surprises Act.

### ***Expedited review***

Under certain circumstances – if your medical condition would be seriously jeopardized during the time it would take for a standard grievance review – you can request an expedited review. You, your doctor or someone acting on your behalf can initiate an expedited review by calling Customer Service or faxing us at 866-522-7345.

We will decide within 72 hours of receiving both your grievance and your physician's confirmation. If we tell you our decision verbally, we must also provide a written confirmation within two business days. If we fail to provide you with our final determination timely or you receive an adverse determination, you may request an expedited external review from DIFS within 10-calendar days of receiving our final determination. You may also file for an expedited external review at the same time you submit a request for an expedited internal review if your physician substantiates you have a medical condition such that the timeframe for completion of the expedited internal review would seriously jeopardize your life or health.

### ***3.5 Additional Member Responsibilities***

You have the responsibility to do the following:

- Read the Member Handbook, this Certificate and all other materials for Members.
- Call Customer Service with any questions.
- Comply with the plans and instructions for care that you have agreed to with your practitioners.
- Provide, to the extent possible, complete and accurate information that BCN and its Participating Providers need in order to provide you with care.
- Make and keep appointments for non-emergent medical care. You must call the doctor's office if you need to cancel an appointment.
- Participate in the medical decisions regarding your health.
- Participate in understanding your health problems and develop mutually agreed upon treatment goals.
- Comply with the terms and conditions of the Coverage provided.

### ***3.6 Member's Role in Policy-Making***

At least one third of the Board of Directors of BCN will consist of BCN Members, elected by Subscribers. BCN provides nomination and election procedures to Subscribers every 3 years.

## **Section 4: Forms, Identification Cards, Records and Claims**

### **4.1 Forms and Applications**

You must complete and submit any enrollment form or other forms that BCN requests. You represent that any information you submit is true, correct and complete. The submission of false or misleading information, as defined under PPACA, in connection with Coverage is cause for Rescission of your Contract upon 31 days written advance notice.

You have the right to appeal our decision to Rescind your Coverage by following the grievance procedure as described in Section 3 and online at <https://www.bcbsm.com/importantinfo>.

To obtain a copy, you can call Customer Service at the number shown on the back of your BCN ID card.

### **4.2 Identification Card**

You will receive a BCN identification card. You must present this card whenever you receive or seek services from a provider. This card is the property of BCN, and its return may be requested at any time.

To be entitled to Benefits, the person using the card must be the Member for whom all premiums have been paid. If the person is not entitled to receive services, the person must pay for the services received.

If you have not received your card or your card is lost or stolen, please contact Customer Service immediately by visiting [BCBSM.com](https://www.bcbsm.com). Information regarding how to obtain a new ID card is also available on our website.

### **4.3 Misuse of Identification Card**

BCN may confiscate your BCN ID card and may terminate Coverage if you misuse it by doing any of the following:

- Permit any other person to use your card
- Attempt to or defraud BCN

### **4.4 Membership Records**

We maintain Membership records.

Benefits under this Certificate will not be available unless information is submitted in a satisfactory format by you or the Group. You are responsible for correcting any inaccurate information provided to BCN. If you intentionally fail to correct inaccurate information, you will be responsible to reimburse BCN for any service paid based on the incorrect information.

### **4.5 Authorization to Receive Information**

By accepting Coverage under this Certificate, you agree that:

- BCN may obtain any information from providers in connection with Coverage;

- BCN may disclose your medical information to your Primary Care Physician or other treating physicians or as otherwise permitted by law; and
- BCN may copy records related to your care.

## **4.6 Member Reimbursement**

Your Coverage is designed to avoid the requirement that you pay a provider for Covered Services except for applicable Copayments, Coinsurance or Deductible. If, however, circumstances require you to pay a provider, ask us in writing to be reimbursed for those services. Written proof of payment must show exactly what services were received including diagnosis, CPT codes, date and place of service. A billing statement that shows only the amount due is not sufficient.

Additional information on how to submit a claim and the Reimbursement Form is available at [bcbsm.com](http://bcbsm.com).

Send your itemized medical bills promptly to us.

BCN Customer Service

**NOTE: Written proof of payment must be submitted within 12 months of the date of service. Claims submitted 12 months after the date of service will not be paid.**

## **Section 5: Termination of Coverage**

### **5.1 Termination of Group Coverage**

This Certificate and the contract between a Group and BCN will continue in effect for the period established by BCN and the Group. The agreement continues from year to year, subject to the following:

- The Group or BCN may terminate the Certificate with 30 days written notice including reason for termination. Benefits for all Members of the group will terminate on the date the Certificate terminates; and
- If the Group terminates this Certificate, all rights to Benefits end on the date of termination to the extent permitted by law.
- BCN will cooperate with the Group to arrange for continuing care of Members who are hospitalized on the termination date.

### **5.2 Termination for Nonpayment**

#### **Nonpayment of Premium**

If a Group fails to pay the premium by the due date, the Group is in default. BCN allows a 30-day grace period; however, if the default continues, the Group and its Members may be terminated.

BCN will allow a 30-day grace period; however, if the Group or Member is terminated, any Covered Services incurred by a Member and paid by BCN after the date of last full payment will be charged to the Group or, as permitted by law, to the individual Member.

### ***Nonpayment History***

BCN may refuse to accept an application for enrollment or may decline renewal of any Member's coverage if the applicant or any Member on the contract has a history of delinquent payment of their share of the costs for Covered Services.

### ***Nonpayment of Member's Cost Sharing***

BCN may refuse to renew Coverage for any contract under either of the following conditions:

- You fail to pay applicable Copayments, Deductible, Coinsurance or other fees within 90 days of their due date; or
- You do not make and comply with acceptable payment arrangements with the Participating Provider to correct the situation.
- The termination will be effective at the renewal date of the Certificate. BCN will give reasonable notice of such termination.

## ***5.3 Termination of a Member's Coverage***

### **Termination**

Coverage for any Member may also be terminated for any of the reasons listed below. Such termination is subject to reasonable notice and grievance rights required by law.

- You no longer meet eligibility requirements
- Coverage is cancelled for nonpayment
- The Group's Coverage is cancelled
- You misuse your Coverage
  - Misuse includes illegal or improper use of your Coverage such as:
    - Allowing an ineligible person to use your Coverage
    - Requesting payment for services you did not receive
- You fail to repay BCN for payments we made for services that were not a benefit under this Certificate, subject to your rights under the appeal process
- You are satisfying a civil judgment in a case involving BCN
- You are repaying BCN funds you received illegally
- You are serving a criminal sentence for defrauding BCN
- Your group changes to a non-BCN health plan
- We no longer offer this coverage

### **Rescission**

If you commit fraud that in any way affects your Coverage or make an intentional misrepresentation of material fact to obtain, maintain or that otherwise affects your Coverage, BCN will consider you in breach of contract and, upon 30 days written advance notice your

membership may be Rescinded. Once we notify you that we are rescinding your Coverage, we may hold or reject claims during this 30-day period. In some circumstances, fraud or intentional misrepresentation of a material fact may include:

- Misuse of the BCN ID card (Section 4)
- Intentional misuse the BCN system
- You knowingly provide inaccurate information regarding eligibility

You have the right to appeal our decision to Rescind your Coverage by following the BCN grievance procedure in Section 3 of this Certificate. You can also find a copy of the procedure at [bcbsm.com](http://bcbsm.com) or you can contact Customer Service who will provide you with a copy.

## **5.4 Extension of Benefits**

All rights to BCN Benefits end on the termination date except:

Benefits will be extended for a Preauthorized Inpatient admission that began prior to the termination date. Coverage is limited to Facility charges; professional claims are not payable after the termination date.

As noted in Section 1 Benefits are only provided when Members are eligible and covered under this Certificate. However, as permitted by law, this extension of Benefits will continue only for the condition being treated on the termination date, and only until **any one** of the following occurs:

- You are discharged.
- Your benefit exhausted prior to the end of the contract.
- You become eligible for other Coverage.

**NOTE:** If Coverage is Rescinded due to fraud or intentional misrepresentation of a material fact, this exception does not apply.

## **Section 6: Continuation Coverage**

### **6.1 Loss Because of Eligibility Change**

If you no longer meet eligibility requirements as described under Section 1, you may transfer to an alternate benefit program offered by the Group, if any. If no alternate benefit program is available or if you are unable to meet any alternate benefit program eligibility requirements, you may apply for non-group coverage through BCN or Blue Cross® Blue Shield® of Michigan. To obtain information, you can call us at the number shown on the back of your BCN ID card.

### **6.2 COBRA Coverage**

If you no longer meet the eligibility requirements as described under Section 1, you may be able to continue coverage at your own expense under federal law known as COBRA (Consolidated Omnibus Budget Reconciliation Act). Most employers with 20 or more employees are required by federal law to offer this coverage (continuation coverage). The employer is the administrator of its COBRA plan. If you have questions, you should contact your group.

NOTE: Employers under 20 employees, church-related groups and federal employee groups are exempt from COBRA.

If your employer is required by COBRA to offer you the option of purchasing continuation coverage, you will need to be aware of the following conditions:

You may apply and pay for group continuation coverage directly to your employer, but you must do so within the time limits allowed by law. You must also comply with other requirements of federal law.

This coverage may continue for up to 18, 29 or 36 months, depending on the reason for your initial ineligibility:

- a. You are considered a Group Member for all purposes including termination for cause; however, events that would otherwise result in loss of eligibility are waived to the extent that the federal law specifically allows continuation.
- b. Continuation coverage and all benefits cease automatically under any of the following:
  - i. The period allowed by law expires;
  - ii. The employer no longer includes BCN as part of its Group health plan;
  - iii. You begin coverage under any other benefit program or health coverage plan (with some exceptions);
  - iv. You become eligible for Medicare; or
  - v. You do not pay for coverage fully and on time.

## **Section 7: Additional Provisions**

### **7.1 Notice**

Any notice that BCN is required to give to you will be:

- In writing;
- Delivered personally or sent by U. S. Mail; and
- Addressed to your last address provided to BCN.

### **7.2 Change of Address**

You must notify your employer and BCN immediately if your address changes. Except as otherwise stated in this Certificate, you must live within the Service Area for at 9 months out of each Calendar Year. (See Section 1)

### **7.3 Headings**

The titles and headings in this Certificate are not intended as part of this Certificate. They are intended to make your Certificate easier to read and understand.

### **7.4 Governing Law**

The Certificate of Coverage is made and will be interpreted under the laws of the State of Michigan and federal law where applicable.

## **7.5 Execution of Contract Coverage**

When you sign the enrollment form, you indicate your agreement to all terms, conditions and provisions of Coverage as described in this Certificate.

## **7.6 Assignment**

Benefits covered under this Certificate are for your use only. They cannot be transferred or assigned. Any attempt to assign them will automatically terminate all your rights under this certificate. You cannot assign your right to any payment from us, or for any claim or cause of action against us to any person, provider, or other insurance company.

We will not pay a provider except under the terms of this Certificate.

## **7.7 Policies and Member Handbook**

Reasonable policies, procedures, rules and interpretations may be adopted in order to administer this Certificate. Your Benefits include additional programs and services, as set forth in your member account at BCBSM.com.

## **7.8 Time Limit for Legal Action**

You may not begin legal action against us later than three years after the date of service of your claim. If you are bringing legal action about more than one claim, this time limit runs independently for each claim.

You must first exhaust the grievance and appeals procedures, as explained in this Certificate, before you begin legal action. You cannot begin legal action or file a lawsuit until 60 days after you notify us that our decision under the grievance and appeals procedure is unacceptable.

## **7.9 Your Contract**

Your contract consists of the following:

- Your Certificate of Coverage
- The contract between the Group and BCN
- Any attached Riders
- Your Member Handbook
- The application signed by the Subscriber
- The BCN Identification card (BCN ID card)

Your Coverage is not contingent on undergoing genetic testing or disclosing results of any genetic testing to us. BCN does not for purposes of underwriting:

- Adjust premiums based on genetic information;
- Require genetic testing; or
- Collect genetic information from an individual at any time for underwriting purposes.

These documents supersede all other agreements between BCN and Members as of the effective date of the documents.

### **7.10 Reliance on Verbal Communication and Waiver by Agents**

### **7.11 Amendments**

This Certificate and the contract between the Group and BCN are subject to amendment, modification or termination.

Such changes must be made in accordance with the terms of this Certificate or by mutual agreement between the Group and BCN with regulatory approval and with prior notice.

### **7.12 Major Disasters**

In the event of major disaster, epidemic or other circumstances beyond the control of BCN, BCN will attempt to provide Covered Services insofar as it is practical, according to BCN's best judgment and within any limitations of facilities and personnel that exist.

If facilities and personnel are not available, causing delay or lack of services, there is no liability or obligation to perform Covered Services under such circumstances.

Such circumstances include, but are not limited to:

- Complete or partial disruption of facilities;
- Disability of a significant part of facility or BCN personnel;
- War;
- Riot;
- Civil insurrection; or
- Labor disputes not within the control of BCN.

### **7.15 Independent Contactors**

BCN does not directly provide any health care services under this Certificate, and we have no right or responsibility to make medical treatment decisions. Medical treatment decisions may only be made by health professionals in consultation with you. Participating Providers and any other health professions providing health care services to under this Certificate do so as independent contractors.

### **7.16 Clerical Errors**

Clerical errors, such as an incorrect transcription of effective dates, termination dates, or mailings with incorrect information will not change the rights or obligations of you and BCN under this Certificate. These errors will not operate to grant additional benefits, terminate Coverage otherwise in force or continue Coverage beyond the date it would otherwise terminate.

### **7.17 Waiver**

In the event that you or BCN waive any provision of this Certificate, you or BCN will not be considered to have waived that provision at any other time or to have waived any other provision. Failure to exercise any right under this Certificate does not act as a waiver of that right.

## **7.18 Unlicensed and Unauthorized Providers**

We do not pay for services provided by persons who are not:

- Appropriately credentialed or privileged (as determined by BCN), or
- Legally authorized or licensed to order or provide such services.

## **7.19 Special Programs**

BCN has special programs where you may receive enhanced benefits, wellness program incentives or financial assistance in meeting the Cost Share requirements of your Coverage based on your eligibility, enrollment/participation or compliance and adherence with select medical services and/or taking part in a case management program. These programs may be provided by a BCN approved vendor or directly through us. You may access information on these programs by contacting BCN Customer Service.

We may terminate any special program based on:

- Your nonparticipation in the program
- Termination or cancellation of your BCN coverage
- Other factors

## **7.20 Surprise Billing**

Federal and Michigan state law require us to pay Non-Participating Providers certain rates for Covered Services and prohibit those providers from billing you the difference between what we pay and what the provider charges. When the surprise billing laws apply, we will pay the provider directly, and you will only pay the Cost Share applicable to that service as defined in federal or Michigan law. The Cost Share you pay for these services will apply to your plan Deductible if applicable and Out-of-Pocket Maximum. The following situations are covered by the Surprise Billing laws:

- Covered Emergency Services at a Participating or a Non-Participating Facility
- Covered Non-Emergency Services provided by Non-Participating Providers in the following Participating Facilities: Hospitals, Critical Access Hospitals, Hospital Outpatient Departments, and Ambulatory Surgical Centers.
  - You can waive Surprise Billing Protections if you sign a notice and consent form.

## **Section 8: Your Benefits**

### **8.1 Cost Sharing**

NOTE: Your employer may have chosen Cost Sharing to be applied to this Certificate. Cost Sharing is detailed in any Riders attached to this Certificate.

#### **Deductible**

Your Plan may have a Deductible. The Deductible, if any, is detailed in a Rider attached to this Certificate. The Deductible is the amount you must pay before BCN will pay for Covered Services.

The Approved Amount will be applied to the Deductible for Covered Services. Charges paid by a Member in excess of the Approved Amount or for non-covered services do not apply toward the Deductible.

#### **Copayment**

Your plan may have fixed dollar Copayments defined in any Riders issued to you. Copayments count toward your Out-of-Pocket Maximum. Once the Out-of-Pocket Maximum is met, you will not be responsible for Copayments for the remainder of the Calendar Year.

#### **Coinsurance**

Your plan may have a Coinsurance detailed in a Rider attached to this Certificate. Coinsurance applies toward your Out-of-Pocket Maximum. Once you reach Out-of-Pocket Maximum, you will not be responsible for Coinsurance for the remainder of the Calendar Year.

### Cost Sharing – Deductible, Copayment and Coinsurance Calculation

If you have a Coinsurance or Copayment for a particular Service as well as a Deductible, you will first be responsible for the payment of the Deductible. The Coinsurance or Copayment will be based on the remaining balance of the Approved Amount. BCN will be responsible to make payment to the provider only after the Deductible, Coinsurance, and Copayment have been paid.

### **Out-of-Pocket Maximum**

The Out-of-Pocket Maximum is the most you will pay for Covered Services under this Certificate and any attached Riders per Calendar Year. The Out-of-Pocket Maximum includes your medical and BCN Prescription Drug Deductible, Copayment and Coinsurance as defined in the Riders attached to this Certificate. The maximum amount is set annually by the federal government.

Once you reach the Out-of-Pocket Maximum, you will not pay Deductible, Copayments or Coinsurance for Covered Services for the remainder of the Calendar Year with the following exceptions.

- Any Premium or contributions paid toward the Premium do not apply to the Out-of-Pocket Maximum
- Charges paid by you in excess of the Approved Amount do not apply toward the Out-of-Pocket Maximum
- Services that are not a Benefit under this Certificate do not apply to the Out-of-Pocket Maximum

Out-of-Pocket Maximum renews each Calendar Year and does not carry over to the next Calendar Year.

NOTE: Your Out-of-Pocket Maximum amount is reflected in a Rider attached to this Certificate.

### **Benefit Maximum**

Some of the Covered Services described in the Certificate may be covered for a limited number of days or visits per Calendar Year. This is known as the Benefit Maximum. Once you have reached a maximum for a Covered Service, you will be responsible for the cost of the additional services received during that Calendar Year even when continued care may be Medically Necessary.

## **8.2 Medical Professional Physician Services**

We cover the following Services unless amended by a Rider.

### **A) Physician Services at an office site, hospital location or Online Visit**

If an office visit Copayment Rider is attached, the PCP office visit Copay applies. The PCP Copay applies whether the Online Visit is performed by the PCP, Referral Physician or a BCN online vendor. If your Benefits have a Deductible and it applies to PCP office visits, then it will also apply to Online Visits.

**F) Allergy Care** — Allergy testing, evaluation, serum, injection of allergy serum and related office visits

### **8.3 Continuity of Care for Professional Services**

#### **Continuity of Care for Existing Members**

When a contract terminates between BCN and a Participating Provider (including your Primary Care Physician) who is actively treating you for conditions under the circumstances listed below and as required by law, the disaffiliated provider (physician or Facility) may continue treating you.

BCN will notify you after learning of the effective date of the provider's termination.

#### **Provider Requirements**

The Continuity of Care provisions apply only when your provider (physician or Facility):

- Notifies BCN of their agreement that you qualify as a continuing care patient
- Continues to accept the BCN Approved Amount as payment in full for the services provided as if the provider's contract had not changed
- Continues to meet BCN's quality standards
- Continues to adhere to BCN medical and quality management policies and procedures
- Provides up to 90 days of continued coverage for certain complex medical conditions that qualify you as a continuing care patient. The 90 days may be extended if agreed by BCN and the provider

NOTE: Emergency room services will continue to be covered as required by law; see Surprise Billing section for additional information.

### Complex Medical Conditions

Through Continuity of Care, you may continue your treatment if the following circumstances apply to you:

- Undergoing a course of inpatient care
- Scheduled to undergo nonelective surgery, including receipt of postoperative care for that surgery
- Pregnant and undergoing a course of treatment for the pregnancy
- Determined to be terminally ill (defined as “a medical prognosis that the individual’s life expectancy is six months or less”) and is receiving treatment for this illness

### Coverage

If the former Participating Provider (including your Primary Care Physician) agrees you are a continuing care patient and meets the “Provider Requirements” listed above, BCN will continue to provide coverage for the Covered Services when provided for an ongoing course of treatment for the Complex Medical Conditions detailed above. In order for additional Covered Services to be paid, your Participating Primary Care Physician must provide or coordinate all such services.

NOTE: You will be responsible for any amount charged by the Non-Participating Provider if the above criteria are not met unless you obtain a referral to the physician from your Primary Care Physician and Preauthorization from BCN.

### ***Continuity of Care for New Members***

If you are a new Member and want to continue an active course of treatment from your existing, Non-Participating Provider, you may request enrollment in BCN’s Continuity of Care program. In order for the services to be paid by BCN, at the time of enrollment you must have selected a Primary Care Physician who will coordinate your care with the Non-Participating Provider.

Eligibility criteria to participate in the Continuity of Care program include the circumstances described below. You have up to 90 days of continued coverage for certain complex medical conditions that qualify you as a continuing care patient. The 90 days may be extended if agreed by BCN and the provider.

### Complex Medical Conditions

Through Continuity of Care, you may continue your treatment if the following circumstances apply to you.

## 8.7 Emergency and Urgent Care

### Definitions

- **Accidental Injury** — a traumatic injury, which, if not immediately diagnosed and treated, could be expected to result in permanent damage to your health
- **Emergency Services** — services to treat a Medical Emergency as described below

- **Medical Emergency** — Whether a condition is a “Medical Emergency” does not depend on a particular diagnosis. Instead, it is based on the sudden onset of a serious medical condition resulting from injury, sickness or behavioral health condition that manifests itself by signs and symptoms of sufficient severity, including severe pain, such that the absence of immediate medical attention could reasonably be expected to result in serious jeopardy to your health or to your pregnancy, in the case of a pregnant Member, serious impairment to bodily function, or serious dysfunction of any bodily organ or part
- **Stabilization** — the point at which, it is reasonably probable that no material deterioration of a condition is likely to result from or occur during your transfer
- **Urgent Care Services** — services that appear to be required in order to prevent serious deterioration to your health resulting from an unexpected, sudden illness or injury that could be expected to worsen if not treated within 24 hours. Examples include: flu, strep throat, or other infections; foreign material in the eye; sprain or pain following a fall; and a cut, sore or burn that does not heal

## Coverage

Emergency Services and Urgent Care Services are covered in full up to the point of Stabilization when they are Medically Necessary and needed either for immediate treatment of a condition that is a Medical Emergency as described above, or if the Primary Care Physician directs you to go to an emergency care Facility.

In case of such Medical Emergency or Accidental Injury, you should seek treatment at once. We urge you, the hospital or someone acting on your behalf to notify your Primary Care Physician or BCN within 24 hours, or as soon as medically reasonable. Admission to the hospital after a Medical Emergency has been stabilized requires Authorization by BCN. However, Prior Authorization is not required for you to obtain Emergency Services.

Emergency Services include professional and related ancillary services and Emergency Services provided in an Urgent Care Center, hospital Emergency Room, or independent freestanding emergency departments. Emergency Services are covered regardless of whether the provider or Facility is participating.

In participating Hospitals and independent free standing emergency departments, Emergency Services are no longer payable as Emergency Services at the point of the Member’s Stabilization as defined above. In Non-Participating Hospitals and independent free standing emergency departments, services rendered after the Member is Stabilized will continue to be Emergency Services until the Member receives and signs a notice and consent form as required under the No Surprises Act.

If you receive Emergency Services rendered by a Non-Participating Provider in any hospital or freestanding emergency department, administrative requirements will be the same, regardless of the facility’s participating status, and payment and Cost Sharing will be based on Michigan law or the federal No Surprises Act. Any amount paid for Emergency Services will apply to your plan Deductible if applicable and Out-of-Pocket Maximum.

If you are admitted as an Inpatient because of the Emergency, the Inpatient Hospital Benefit as described in this chapter and attached Riders will apply.

NOTE: Observation stay resulting from Emergency Services is subject to Emergency room Cost Sharing when a Rider is attached.

**Follow-up care** in an Emergency room or Urgent Care Facility, such as removal of stitches and dressings, is a Covered Benefit only when Preauthorized by your Primary Care Physician and BCN. This applies even if the Hospital emergency staff or physician instructed you to return for follow up.

### ***Admission to Non-Participating Hospital after Emergency Services***

If you are hospitalized in a Non-Participating Hospital, we may require that you be transferred to a Participating Hospital as soon as you have Stabilized. If you refuse to be transferred, you may be required to sign a notice and consent form by the Non-Participating Hospital to continue receiving services. If you sign this form, all related non-Emergency Covered Services will not be covered from the date of when the form is signed..

### ***Out-of-Area and Non-Participating Coverage***

You are covered when traveling within or outside of the BCN Service Area for Emergency and Urgent Care Services that meet the conditions described above. (See Section 9 and the attached BlueCard Rider for additional information.)

When Services are rendered by a Non-Participating Provider, we pay a rate based on the requirements of state and federal laws.

You are responsible for any Cost Sharing required under your Rider. The rate we pay for Emergency Services may be less than the bill; you will not be required to pay the difference between what the Provider charges and what we pay. See Surprise Billing section for more information.

## **8.8 Ambulance**

An ambulance is a ground or air service that transports an injured or sick Member to a covered destination.

For ground ambulance, a covered destination may include:

- A hospital
- A Member's home
- Other facilities

For air ambulance, a covered destination may include:

- A hospital
- Another facility when Preauthorized by BCN

We will pay for a Member to be taken to the nearest destination capable of providing necessary care to treat the Member's condition.

NOTE: Transfer of the Member between covered destinations must be prescribed by the attending physician.

In every case, the following ambulance criteria must be met:

- The service must be Medically Necessary. Any other means of transport would endanger the Member's health or life
- Coverage only includes the transportation of the Member and whatever care is required during transport. Other services that might be billed with the transportation is not covered
- The service must be provided in a licensed ground or air ambulance that is part of a licensed ambulance operation

Coverage also includes when:

- The ambulance arrives at the scene, but transport is not needed or is refused
- The ambulance arrives at the scene, but the Member has expired

Non-emergency ground ambulance services are covered when Preauthorized by your treating physician and BCN

### Air ambulance

Air Ambulance services must also meet these requirements:

- No other means of transport are available
- The Member's condition requires transportation by air ambulance rather than ground ambulance
- An air ambulance provider is licensed as an air ambulance service and is not a commercial airline.
- The Member is transported to the nearest facility capable of treating the Member's condition.

NOTE: Air ambulance transportation that does not meet the requirements described above is eligible for review and possible approval by BCN. We may recommend coverage for transportation that positively impacts clinical outcomes, but not for the convenience of the Member or the family.

### ***Exclusions include but are not limited to***

- Transportation or medical services provided by public first responders to accidents, injuries or emergency situations including fire or police departments costs, or any associated services provided as part of a response to an accident or emergency situation, like accident clean-up or 911 costs are not a covered benefit. #### **Definition**

**Approved Clinical Trial** means a Phase I, II, III or IV clinical trial that is conducted for the prevention, detection or treatment of cancer or other life-threatening disease or condition, and includes any of the following:

- A federally funded trial, as described in the Patient Protection and Affordable Care Act;

- A drug trial that is exempt from having an investigational new drug application; or
- A study or investigation conducted by a federal department that meets the requirements of Section 2709 of the Patient Protection and Affordable Care Act.

Clinical Trials of experimental drugs or treatments proceed through four phases:

- **Phase I:** Researchers test a new drug or treatment in a small group of people (20-80) for the first time to evaluate its safety, to determine a safe dosage range and to identify side effects. Phase I trials do not determine efficacy and may involve significant risks as these trials represent the initial use in human patients.
- **Phase II:** The study drug or treatment is given to a larger group of people (100-300) to see if it is effective and further evaluate its safety.
- **Phase III:** If a treatment has shown to be effective in Phase II, it is subjected to additional scrutiny in Phase III. In this phase, the sample size of the study population is increased to between 1,000 and 3,000 people. The goals in Phase III are to confirm the effectiveness noted in Phase II, monitor for side effects, compare the study treatment against current treatment protocols, and collect data that will facilitate safe use of the therapy or treatment under review.
- **Phase IV:** These studies are done after the drug or treatment has been marketed or the new treatment has become a standard component of patient care. These studies continue testing the study drug or treatment to collect information about their effect in various populations and any side effects associated with long-term use. Phase IV studies are required by the FDA when there are any remaining unanswered questions about a drug, device or treatment.
