Subject: Providers encouraged to participate in the MATEC 2025 Perinatal Update Webinar series

Blue Cross Complete would like to inform health care providers of an important educational opportunity from the Midwest AIDS Education and Training Center. The 2025 Perinatal Update Webinar series will be held in May. It will offer vital updates and best practices related to perinatal health. Each session will feature an interactive, case-based discussion led by Michigan-based subject matter experts.

The series will include:

- **Perinatal Hepatitis B and C and Review of Infant Feeding Guidelines for Persons with HIV:** Monday, May 12, 2025, 8-9 a.m.
This session will address prevention, screening, and management of perinatal hepatitis B and C, as well as give a review of infant feeding guidelines for persons with HIV. Providers can register at links-1.govdelivery.com.
- **Congenital Syphilis in Michigan:** Tuesday, May 20, 2025, 8-9 a.m. This session will feature a case-based discussion on prevention and management of congenital syphilis. Providers can register at links-1.govdelivery.com.
- **Perinatal HIV Update:** Tuesday, May 27, 2025, 8-9 a.m.
This session will feature a case-based discussion of updates in perinatal HIV care and prevention. Providers can register at links-1.govdelivery.com.

For more information, email the Michigan Department of Health and Human Services Harm Reduction and Viral Hepatitis Prevention Unit at MDHHS-Hepatitis@Michigan.gov. If you have additional questions, contact your Blue Cross Complete provider account executive or Provider Inquiry at 1-888-312-5713.
