# Welcome to Blue Care Network

U-M Premier Care and U-M GradCare

Dear Valued Member:

We know health care can seem complicated. That's why we're committed to helping you understand your coverage. This guide explains your Blue Care Network health plan. In addition, your digital *Member Handbook* includes what you need to fully understand your coverage. You can access it when your plan year starts by registering your online member account at [bcbsm.com](http://bcbsm.com).\*

If you have questions, refer to your account or call the Customer Service number on the back of your BCN member ID card.

The next page has important steps to help you make the most of your BCN health plan.

Sincerely,

A handwritten signature in black ink, appearing to read 'K. Levine', written in a cursive style.

Kathryn G. Levine  
*President and CEO*

*Blue Care Network of Michigan is providing administrative claims services only. Your employer is financially responsible for claims.*

*\*In this guide, you'll be advised to check your online member account for specific information about your health care plan. If you don't have internet access, ask to have the information mailed to you. Call the Customer Service number on the back of your BCN member ID card.*

# Getting started

## Step 1

### Register to activate your online member account.

Your account is where you get your health plan information anytime, anywhere. It helps you understand how your plan works and what it covers, so you can make more informed choices about your care.

#### Here's what you can do using your account:

- View your *Member Handbook*.
- Select or change your primary care provider.
- Verify who's covered under your plan.
- See what's covered.
- View your deductible, copayments and coinsurance.
- Monitor claims and explanation of benefits statements.
- Search for doctors, hospitals and specialists in your plan's network.
- Compare costs for health care services.
- Access your virtual ID card and plan documents, including your certificate and riders.
- Order more plastic ID cards for adult members on your plan.
- See the status of prior authorizations and referrals.

#### How to register your account

##### 1. Go online.

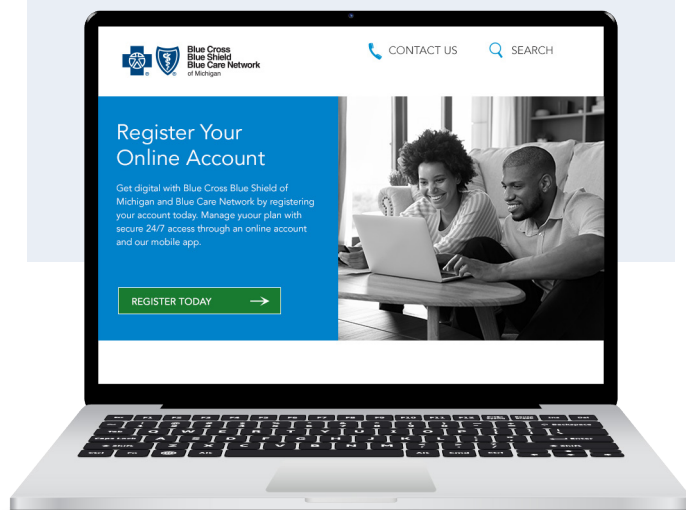

Visit [bcbsm.com/register](https://bcbsm.com/register) and select *Register Now*.

##### 2. Use our app.

- Download the app on the App Store® or Google Play™ (search "BCBSM").

# From your online member account

## Step 2

### Access your *Member Handbook*.

Before using your health coverage, read your digital *Member Handbook*. It will help you understand your health plan and benefits. To access your *Member Handbook*, log in to your account at [bcbsm.com](https://bcbsm.com) or use our mobile app.

Your *Member Handbook* will display in your account **on the date your coverage begins**. However, you can register your account before your coverage start date.

## Step 3

### Select or change your primary care provider.

Your PCP is the doctor who provides or coordinates your care. Each person on your contract must select a BCN PCP located in Michigan. The doctor you select in our *Find Care* tool must be labeled a PCP in your plan's network. Your account won't allow you to submit your selection if the doctor isn't listed as a PCP.

**For care to be covered, your PCP must provide or coordinate your health care from preventive care to referrals for specialists.** If we don't have a PCP on file for you, we'll assign one to you and mail the details. After you select your PCP, make an appointment for your annual physical or to discuss a medical condition.

#### To select or change your PCP, log in to your account and then:

- Click *Find Care* in the navigation menu.
- Click *Primary Care Physicians*.
- Click *View or Change PCP*.

Or call the Customer Service number on the back of your BCN member ID card.

# Getting care

## In-network versus out-of-network providers

A network is a group of providers (doctors, hospitals and other professionals) who have contracted with BCN to provide health care services. **Note:** You're always covered for emergency care.

- **In-network providers** accept your health care plan. This means they participate with us. Be sure your PCP refers you to in-network providers to ensure your care is covered.

To find in-network providers, log in to your account at [bcbsm.com](https://bcbsm.com) and select *Find Care*.

- **Out-of-network providers** don't accept your health care plan and don't participate with us. Except in an emergency or when your service is approved by BCN, you're responsible for the entire cost of the service received from these providers.

# Referrals and authorizations

## Referrals and prior authorization

Your PCP provides your care or coordinates it through our referral process. However, you may also need BCN prior authorization for certain health care services before you receive them.

### A referral is different from prior authorization:

Referral	Prior authorization
<ul style="list-style-type: none"><li>• A referral is written approval from your PCP to see a specialist (for example, a dermatologist).</li><li>• Check with your PCP to see if a referral is required.</li><li>• Some referrals require your meeting with your PCP in-person.</li><li>• Your PCP will submit the referral request for you, and we'll review it quickly.</li><li>• The referral must be received by the specialist before your appointment.</li><li>• Confirm your PCP refers you to an in-network specialist to ensure coverage for treatment.</li><li>• Changing your PCP while a specialist is treating you may change your treatment referral. Check with your new PCP.</li></ul>	<ul style="list-style-type: none"><li>• Prior authorization is approval from BCN for certain services before you receive them.</li><li>• Check with your doctor before receiving services to see if you need prior authorization.</li><li>• Your PCP will submit the prior authorization request for certain prescription drugs, medical tests, surgeries and other services.</li><li>• We'll review the request quickly to determine whether it's needed for your condition.</li><li>• For more about prior authorizations, go to our article at <a href="https://www.bcbsm.com/important-info/services-that-need-prior-authorization/bcbsm">bcbsm.com</a>* (<a href="https://www.bcbsm.com/important-info/services-that-need-prior-authorization/bcbsm">Important Info: Services That Need Prior Authorization/BCBSM</a>)</li></ul>

#### **Always ask your doctor if you need a referral or prior authorization.**

If your PCP doesn't refer you to a specialist or doesn't get prior authorization as required, you're responsible for the cost of the services.

#### **You don't need a referral for:**

- Emergency care
- Behavioral health services\*
- Routine gynecologist or obstetrician services\*

\*Must be seen by an in-network provider.

To locate a participating urgent care center near you in Michigan, go to [bcbsm.com/findcare](https://bcbsm.com/findcare) and select *Log in to Find a Doctor*. Or call the Customer Service number on the back of your member ID card. If you're outside Michigan, go to [provider.bcbs.com](https://provider.bcbs.com) or call **1-800-810-2583**. Before you go to urgent care, call the clinic to check extended business and weekend hours.

Hospital care is for health situations that require inpatient care. Your PCP will arrange the hospital care you need and direct the care of any specialists who will see you there.

**If symptoms are severe enough that you need immediate medical attention, go to the nearest emergency room or call 911. Emergency is open 24 hours.**

# Understanding your benefits

## Some services aren't covered

Here are a few examples of services your medical plan doesn't cover:

- Services obtained without following BCN procedures
- Cosmetic services or supplies
- Custodial care
- Experimental or investigational treatment
- Personal convenience items, such as air conditioners, hot tubs and water beds
- Routine exams related to employment, insurance, a court order, school purposes or sports physicals
- Self-help programs

For more details about other health care services and benefits not covered, refer to your certificate and riders in your account at [bcbsm.com](https://bcbsm.com). Select *My Coverage* in the navigation menu, then select *Plan Documents*. On the app, select *My Coverage* and then *What's Covered*.

## Behavioral health services

You're covered for behavioral health, including mental health and substance use disorder services. You don't need a referral from your PCP to see a behavioral health provider. However, you must be seen by a provider in your plan's network.

If you're experiencing a life-threatening emergency, dial **911** or go to the nearest emergency room. For urgent concerns, call **1-800-482-5982** (TTY: **711**) 24 hours a day to speak with a behavioral health care manager. For routine assistance, call this number Monday through Friday from 8 a.m. to 5 p.m. with questions about your behavioral health coverage, help finding a provider, or to request the guidelines we use to make medical necessity decisions.

# Appealing a decision

## Grievance process

**BCN and your primary care provider are interested in your satisfaction with the services and care you receive.** If you have a problem relating to your care, discuss it with your PCP first. Often your PCP can correct the problem to your satisfaction. You're always welcome to call Customer Service with any question or problem you have.

If you're not able to resolve your issue by calling us, we have a formal process you can use. You have 180 days from the date of discovery of a problem to file a grievance about a decision made by us. There are no fees or costs.

### Step one

You, or someone authorized by you in writing, must submit a standard grievance in writing.

**Mail:** Appeals and Grievance Unit, Blue Care Network  
P.O. Box 44200  
Detroit, MI 48244-0191

**Fax:** 1-866-522-7345

We'll review your concern and reply within 15 calendar days for preservice requests and 30 calendar days for postservice requests. The individuals who review the first level grievance aren't the same as those involved in the initial decision. If we deny your grievance, we'll send you a written explanation of the reasons for the denial and the next steps in the process. If the grievance is about a clinical issue, we'll send it for review to an independent medical consultant in the same or similar specialty as the doctor who provided the service.

### Step two: Review by BCN grievance panel

If your grievance is denied, you may request review by BCN's Grievance Panel. You must file the request within 180 calendar days of receiving the adverse step one decision. For preservice requests, you'll be notified of the step two grievance decision within 15 calendar days. For postservice requests, you'll be notified within 30 calendar days.

If the panel denies your grievance, we'll write to you within five days (but no more than 30 days for preservice or 60 days for postservice requests) and explain the reasons for the denial. The decision may take an additional 10 business days if BCN needs to request medical information. We'll also tell you what you can do next. At your request and at no charge to you, we'll provide all documents used in making the decision.

### External review by an independent review organization

As a member enrolled in a self-funded ERISA group plan, you have the right to an external review by an independent review organization, or IRO. To appeal our decision, you must notify us in writing, and we'll randomly assign the review to one of our contracted IROs. The IRO decision is binding, and we'll be responsible for all costs incurred. You must exhaust this process before filing a lawsuit by:

**Mail:** Appeals and Grievance Unit, Blue Care Network  
P.O. Box 44200  
Detroit, MI 48244-0191

**Fax:** 1-866-522-7345

# Appealing a decision

## External review by the Department of Insurance and Financial Services

If you're not a member of an ERISA group plan and don't agree with our decision at step two or if we're late in responding (add 10 business days if we ask for additional medical information), you'll be considered to have exhausted the internal grievance process. At this point, you may request external review by the Department of Insurance and Financial Services. You must send your external review request no later than 127 calendar days following receipt of our decision. Send to Appeals Section — Office of General Counsel, Department of Insurance and Financial Services by:

<b>Mail:</b>	<b>P.O. Box 30220 Lansing, MI 48909-7720</b>
<b>Personal delivery:</b>	<b>530 W. Allegan Street, 7th floor Lansing, MI 48933-1070</b>
<b>Phone:</b>	<b>1-877-999-6442</b>
<b>Fax:</b>	<b>517-284-8838</b>
<b>Online:</b>	<b><a href="https://difs.state.mi.us/Complaints/ExternalReview.aspx">difs.state.mi.us/Complaints/ExternalReview.aspx</a> <i>(Blue Care Network doesn't control this website and isn't responsible for its content.)</i></b>

## Expedited review

Under certain circumstances — if your medical condition would be seriously jeopardized during the time it would take for a standard grievance review — you can request an expedited review.

We'll decide within 72 hours of receiving both your grievance and your physician's confirmation. If we tell you our decision verbally, we must also provide a written confirmation within two business days. If we fail to provide you with our final determination in a timely fashion or we deny your request, you may request an expedited external review from the Department of Insurance and Financial Services within 10 calendar days of receiving our final determination. In some instances, we may waive the requirement to exhaust our internal grievance process.

You, your doctor or someone acting on your behalf can initiate an expedited review by calling the Customer Service number on the back of your BCN member ID card.
