

**Blue Care
Network**
of Michigan

Confidence comes with every card.®

**Welcome to
Blue Care Network**

Dear Valued Member:

We know health care can seem complicated. That's why we're committed to helping you understand your coverage. This guide explains your BCN health care plan. In addition, your digital *Member Handbook* includes what you need to fully understand your coverage. You can access it when your plan year starts by registering your online member account at [bcbsm.com](https://www.bcbsm.com).*

If you have questions, refer to your account or call the Customer Service number on the back of your BCN member ID card.

The next page has important steps to help you make the most of your BCN health plan.

Sincerely,

A handwritten signature in black ink, appearing to read 'K. Levine', written in a cursive style.

Kathryn G. Levine
President and CEO

*In this guide, you'll be advised to check your online member account for specific information about your health care plan. If you don't have internet access, you may ask to have the information mailed to you. Call the Customer Service number on the back of your BCN member ID card.

Getting started

Step 1

Register to activate your online member account.

Your account is where you get your health plan information anytime, anywhere. It helps you understand how your plan works and what it covers, so you can make informed choices about your care.

Here's what you can do using your account:

- View your *Member Handbook*.
- Select or change your primary care provider.
- Verify who's covered under your plan.
- See what's covered.
- View your deductible, copayments and coinsurance, if applicable.
- Monitor claims and explanation of benefits statements.
- Search for doctors, hospitals and specialists in your plan's network.
- Learn about your prescription drug coverage, health savings account or health reimbursement arrangement, if applicable.
- Compare costs for health care services.
- Access your virtual ID card and plan documents, including your certificate, riders and *Summary of Benefits and Coverage*.
- Order more plastic ID cards for adult members on your plan.
- See the status of your prior authorizations and referrals.

How to register your account

1. Go online.

Visit bcbsm.com/register and select *Register Now*.

2. Use our app.

- Download the app on the App Store® or Google Play™ (search "**BCBSM**").
- Tap the app and then *Register*.

3. Text us.

Text **REGISTER** to **222764**.*

*Message and data rates may apply. Visit bcbsm.com for our Terms and Conditions of Use and Privacy Practices.

From your online member account

Step 2

Access your *Member Handbook*.

Before using your health coverage, read your digital *Member Handbook*. It will help you understand your health plan and benefits. To access your *Member Handbook*, log in to your account at bcbsm.com or use our mobile app.

Your *Member Handbook* will display in your account **on the date your coverage begins**. However, you can register your account before your coverage start date.

Step 3

Select or change your primary care provider.

Your PCP is the doctor who provides or coordinates your care. Each person on your contract must select a BCN PCP located in Michigan. The doctor you select in our *Find Care* tool must be labeled a PCP in your plan's network. Your account won't allow you to submit your selection if the doctor isn't listed as a PCP.

For care to be covered, your PCP must provide or coordinate your health care from preventive care to referrals for specialists. If we don't have a PCP on file for you, we'll assign one to you and mail the details. Once you select your PCP, make an appointment for your annual physical or to discuss a medical condition.

To select or change your PCP, log in to your account and then:

- Click *Find Care* in the navigation menu.
- Click *Primary Care Physicians*.
- Click *View or Change PCP*.

Or call the Customer Service number on the back of your BCN member ID card.

Getting care

In-network versus out-of-network providers

A network is a group of providers (doctors, hospitals and other professionals) who have contracted with BCN to provide health care services. **Note:** You're always covered for emergency care.

- **In-network providers** accept your health care plan. This means they participate with us. Be sure your PCP refers you to in-network providers to ensure your care is covered.

To find in-network providers, log in to your account at bcbsm.com and select *Find Care*.

- **Out-of-network providers** don't accept your health care plan and don't participate with us. Except in an emergency or when your service is approved by BCN, you're responsible for the entire cost of the service received from these providers.

If you plan on traveling, talk with your PCP to address any health concerns before you leave. Also, log in to your account at bcbsm.com and refer to your *Member Handbook* and your certificate and riders to see the types of services your health plan covers outside of Michigan. Or call the Customer Service number on the back of your BCN member ID card.

Referrals and authorizations

Referrals and prior authorization

Your PCP provides your care or coordinates it through our referral process. However, you may also need BCN prior authorization for certain health care services before you receive them.

A referral is different from prior authorization:

Referral	Prior authorization
<ul style="list-style-type: none">• A referral is written approval from your PCP to see a specialist (for example, a dermatologist).• Check with your PCP to see if a referral is required.• Some referrals require your meeting with your PCP in-person.• Your PCP will submit the referral request for you, and we'll review it quickly.• The referral must be received by the specialist before your appointment.• Confirm your PCP refers you to an in-network specialist to ensure coverage for treatment.• Changing your PCP while a specialist is treating you may change your treatment referral. Check with your new PCP.	<ul style="list-style-type: none">• Prior authorization is approval from BCN for certain services before you receive them.• Check with your doctor before receiving services to see if you need prior authorization.• Your PCP will submit the prior authorization request for certain prescription drugs, medical tests, surgeries and other services.• We'll review the request quickly to determine whether it's needed for your condition.• For more about prior authorizations, go to our article at bcbsm.com* (Important Info: Services That Need Prior Authorization/BCBSM)

Always ask your doctor if you need a referral or prior authorization.

If your PCP doesn't refer you to a specialist or doesn't get prior authorization as required, you're responsible for the cost of the services.

You don't need a referral for:

- Emergency care
- Behavioral health services*
- Routine gynecologist or obstetrician services*

*Must be seen by an in-network provider.

Your options for care

Where to go for care

When it's not an emergency, you have choices for when and where to get health care.

Learn how to use your smart choices for care at bcbsm.com/findcare. Check your applicable out-of-pocket costs for these places of care by logging in to your account at bcbsm.com or using our mobile app.

To locate a participating urgent care center near you, go to bcbsm.com/findcare and select *Log in to Find a Doctor*. Or call the Customer Service number on the back of your member ID card.

Before you go to urgent care, call the clinic to check extended business and weekend hours.

Hospital care is for health situations that require inpatient care. Your PCP will arrange the hospital care you need and direct the care of any specialists who will see you there.

If symptoms are severe enough that you need immediate medical attention, go to the nearest emergency room or call 911. Emergency is open 24 hours.

Virtual Care is provided by Teladoc Health, an independent company that provides Virtual Care Solutions for Blue Cross Blue Shield of Michigan and Blue Care Network.

Understanding your benefits

Some services aren't covered

Here are a few examples of services your medical plan doesn't cover:

- Services obtained without following BCN procedures
- Cosmetic services or supplies
- Custodial care
- Experimental or investigational treatment
- Personal convenience items, such as air conditioners, hot tubs and water beds
- Routine exams related to employment, insurance, a court order, school purposes or sports physicals
- Self-help programs

For more details about other health care services and benefits not covered, refer to your certificate and riders or *Summary of Benefits and Coverage* in your account at bcbsm.com. Select *My Coverage* in the navigation menu, then select *Plan Documents*. On the app, select *My Coverage* and then *What's Covered*.

Behavioral health services

You're covered for behavioral health, including mental health and substance use disorder services. You don't need a referral from your PCP to see a behavioral health provider. However, you must be seen by a provider in your plan's network.

If you're experiencing a life-threatening emergency, dial **911** or go to the nearest emergency room. For urgent concerns, call **1-800-482-5982** (TTY: **711**) 24 hours a day to speak with a behavioral health care manager. For routine assistance, call this number Monday through Friday from 8 a.m. to 5 p.m. with questions about your behavioral health coverage, help finding a provider, or to request the guidelines we use to make medical necessity decisions.
