ELIGIBILITY

You will need to complete an application for coverage.

We will review your application to determine if you and the people you list on it are eligible for coverage. Our decision will be based on the eligibility rules in this certificate and our underwriting policies.

If you or anyone applying for coverage on your behalf commits fraud or intentionally lies about a material fact when filling out the application, your coverage may be rescinded. See “Rescission” on Page 7.

If you or anyone applying for coverage on your behalf lies about your tobacco use or state or county of residence, we have the right to get back from you the difference in premium from what you are paying and what you should have paid.

Who Is Eligible for Coverage

You, your spouse and the dependents you have listed on your application are eligible for coverage if they:

- Are current residents of Michigan on the effective date of coverage and U.S. citizens or lawfully present in the United States and must intend to reside in the state. Everyone on your contract must intend to live in Michigan except in the case of individuals living outside of Michigan temporarily (as in the case with college students or snowbirds.)

To get coverage, you must send us a completed application. We will review your application to determine if you and the people you list on it are eligible for coverage. Our decision will be based on the terms in this certificate and our underwriting policies in effect at the time you apply for coverage.

Who Is Eligible to Receive Benefits

We will pay for services listed in this certificate and any accompanying riders only for you, your spouse and your dependent children age 19 or older on the plan’s effective date.

Children listed on your contract are covered through the end of the calendar year in which they turn age 26 if:

- You continue to be covered under this certificate and
- The children are related to you by:
 - Birth
 - Marriage
 - Legal adoption or
 - Legal guardianship

Your child’s spouse and your grandchildren are not eligible for coverage under this certificate.

Who Is Eligible to Receive Benefits (continued)

Disabled Unmarried Children

Disabled, unmarried children may remain covered after they turn age 26 if all of the following apply:

- They cannot support themselves due to a diagnosis of:
 - A physical disability or
 - A developmental disability
- They depend on you for support and maintenance.

You must send us a physician's certification proving the child's disability. We must receive it by 31 days after the end of the year of the child's 26th birthday. We will decide if the child meets the requirements.

A dependent child or spouse who becomes ineligible for coverage under this contract may be eligible for their own contract. However, we must be notified within 60 days of the date the person becomes ineligible. Members who lose their coverage may apply for other vision coverage if available, as long as it is within 60 days of the date this coverage ends or during the annual enrollment period. If you choose other vision coverage, it must be with a medical plan or dental plan that includes vision.

WHEN YOU CAN ENROLL

- During the annual open enrollment period
- At any time during the year; this coverage does not require a qualifying life event

WHEN YOUR BENEFITS BEGIN

Covered benefits and services are available on the effective date of your contract.

CHANGING YOUR COVERAGE

You may change your coverage at any time during the year.

You can change who can receive benefits under your current coverage if there is a qualifying event (please see the definition of “qualifying event” in the Definitions section), including, but not limited to:

- Birth
- Adoption
- Marriage
- Divorce
- Death of a member
- Start or end of military service

There may be changes in your family while you have coverage under this certificate. To **remove** a dependent or spouse from your plan, you must notify BCBSM within 60 days of the requested removal date. Coverage will end on the requested date.

We must receive notice from you within 60 days of the requested date to **add** a dependent or spouse. You must provide supporting proof of your qualifying event. For a list of supporting proof by event, please visit bcbsm.com/documents.

If a member on this contract dies, please notify us, and your rate will be adjusted as of the date of death. If the subscriber dies, the contract must be rewritten to reflect a new subscriber and the rate will be adjusted. In either event, you may not change your coverage until the next open enrollment period, except as established by federal law.

Once you receive your new ID card, do not use your old ID card. However, keep your old card until all claims under your prior vision certificate or contract have been resolved.

BILLING

Information About Your Bill

Each bill for a regular billing cycle covers a one-month period.

- You are responsible for the entire premium amount.
- You must pay your premium by the due date printed on your bill. When we receive your payment, we will continue your coverage through the period for which you have paid.
- If we do not receive your premium by the due date, then we will allow you a grace period of 31 days, during which we will send you a final bill. If we do not receive your premium payment during the grace period, then your coverage will be terminated or cancelled as of the last day of paid coverage.

We will accept payment of your vision insurance premium only from you, your spouse, or when appropriate, from a parent, blood relative, legal guardian or other person or entity that is allowed by law to pay your premium on your behalf.

How Rates Are Classified

Your rate will be based upon certain rating factors, such as age and where you live, in accordance with federal law.

TERMINATION

How to Terminate Your Coverage

Call or send us your written request to terminate coverage at the phone number or address listed in Section 8, "How to Reach Heritage." You can also call the phone number on your BCBSM identification card.

We will accept requests to terminate your coverage only from you. Your coverage will be terminated on the future date that you requested. All benefits under this certificate will end. You may be entitled to a refund of your premium.

If you decide to terminate your coverage within 10 days after the date that it is effective, you will be given a full refund of the premium that you paid. If you decide to terminate your coverage after it has been effective for 10 days, you will be given a pro-rated refund of any unused portion of the premium that you paid.

If you voluntarily terminate your coverage and your premium is due, BCBSM reserves the right to collect this premium from you.

This vision product has two different types of rates:

- A monthly premium rate
- An annual premium rate

If you cancel your contract, you and the members on your contract will still have access to your benefits until the end of the pre-paid term.

Refunds – Monthly Rate

If you paid monthly, we will terminate your coverage on the day you request it or a future date if you request it. **If no one on the contract has used benefits**, we will refund your premium for the remainder of the month in which you terminated your coverage.

If you pay for the month of April (and no one on the contract has used benefits) and ask to terminate coverage on April 20, we will refund your premium for the remaining 10 days in April.

Refunds – Annual Rate

If you paid an annual premium, your coverage will be terminated on the day that you request it or a future date if you request it. **If no one on the contract has used benefits**, we will process the refund on the first of the following month in which you asked for a refund.

You pay your annual premium in January for coverage through December. If you call in May to terminate your coverage, we will terminate your coverage as of June 1. You will be entitled to a refund for the remaining premium amount only if no one on your contract has **used vision benefits during the prepaid period**.

Termination (continued)***How We Terminate Your Coverage***

We will terminate your coverage if:

- You no longer qualify for coverage under this certificate
- You do not pay your bill on time
- You are serving a criminal sentence for defrauding BCBSM
- You cannot provide proof you live in Michigan except in the case for individuals living outside of Michigan temporarily (as in the case with college students or snowbirds).
- We no longer offer this coverage
- You **misuse** your coverage

Misuse includes illegal or improper use of your coverage such as:

- Allowing an ineligible person to use your coverage
- Requesting payment for services you did not receive
- You fail to repay BCBSM for payments we made for services that were not a benefit under this certificate, subject to your rights under the appeal process.
- You are satisfying a civil judgment in a case involving BCBSM
- You are repaying BCBSM funds you received illegally

Your coverage will end on the last day covered by your last premium payment. If a child is no longer eligible for coverage because of age, coverage will end on the last day of the year in which the child turns 26.

If we terminate or cancel your coverage, then we will provide you with 30 days' notice, along with the reason for the termination or cancellation.

Rescission

We will rescind your coverage if you or someone seeking coverage on your behalf has:

- Performed an act, practice, or omission that constitutes fraud, or
- Intentionally lied about a material fact to BCBSM or another party, which results in you or a dependent obtaining or retaining coverage with BCBSM, or the payment of claims under this or another BCBSM certificate.

We may rescind your coverage back to the effective date of your contract. If we do, we will provide you with 30 days' notice. Once we notify you that we are rescinding your coverage, we may hold or reject claims during this 30-day period. You will have to repay BCBSM for its payment for any services you received.

Section 2: What You Must Pay

This section explains what you must pay for covered vision services.

The basic copayments you must pay each year are listed in the chart below and explained in more detail in the pages that follow. These are standard amounts associated with this certificate. The amounts for which you are responsible may differ depending on what riders your plan has.

Cost-Sharing Chart	
In-Network	
Copayment Requirements	\$5 per eye exam \$10 per prescription glasses \$0 elective contact lenses \$10 medically necessary contact lenses
Benefit Maximums	\$150 for frames \$150 elective contact lenses
Out-of-Network	
Copayment Requirements	\$5 per eye exam \$10 per prescription glasses \$10 medically necessary contact lenses
Benefit Maximums	None

Copayment Requirements

Your copayment applies to in-network and out-of-network services. However, when you obtain services from an out-of-network provider, you are also responsible for paying the difference between our approved amount and the amount charged by the provider.

You are required to pay copayments on select covered services:

Routine Eye Examinations

- Your copayment is **\$5**.

Standard Lenses, Lens Options (In-Network) and Frames

- Your copayment is **\$10**. You have one copayment for both lenses and frames.

Contact Lenses

- Your copayment is **\$10** for medically necessary contact lenses when you get them from an in-network provider.
- The criteria used to decide if contact lenses are medically necessary are on Page 13.
- You do not have a copayment for prescribed contact lenses that are not medically necessary. However, you must pay the difference between our approved amount and the amount charged by your in-network (Heritage) or out-of-network provider.

In-Network Providers

After your copayment is paid, the following services are fully covered (within plan limitations) when you receive them from an in-network provider:

- Routine eye examinations
- Standard lenses, lens options specified and frames
- Medically necessary contact lenses

Contacts that are not medically necessary are covered up to the benefit maximum

If the lenses and frames you select are more expensive than the standard lenses and frames described in Section 3, you are responsible for the difference between what we pay and the amount charged by the provider.

An in-network provider **may bill you** when:

- You use a service that is not covered by your contract.
- We deny a claim from an in-network provider that was submitted more than 180 days after the date of service because you did not supply the needed information to the provider or to Heritage.

Out-of-Network Providers

We pay our approved amount, minus your copayment, for exams, lenses and frames and prescribed medically necessary contact lenses that you receive from out-of-network providers. For prescribed, non-medically necessary contact lenses, we pay our approved amount. You do not have a copayment for these lenses. The amount billed by an out-of-network provider may be more than our approved amount.

You are responsible for paying the difference between our approved amount and the amount charged by the out-of-network provider. The out-of-network approved amount we pay for vision care services is reviewed and adjusted annually. To find out the current amount, contact Heritage (see Section 8, How to Reach Heritage).

You should expect to pay charges to an out-of-network provider at the time you receive the services. You should then submit a claim. If it is approved, payment will be sent to you. See Section 8, How to Reach Heritage for the address to send claims.

Section 3: Coverage for Vision Care Services

This section describes covered vision services to detect, improve or correct vision problems.

Frequency

We pay for:

- One eye exam every 12 months
- One pair of lenses every 12 months
- Contact lenses every 12 months
- One pair of frames every 12 months
- \$150 allowance for frames
- \$150 elective contact lenses

Both glasses **and** contact lenses are covered every 12 months.

Eye Exam

We pay for an eye exam by an ophthalmologist or optometrist. The exam must include the following:

- History
- Testing of visual acuity
- External exams of the eye
- Binocular measure
- Ophthalmoscopic examinations
- Tonometry (test for glaucoma) when indicated
- Medication for dilating the pupils and desensitizing the eyes for tonometry, if necessary
- Summary of findings

Lenses

We pay for standard lenses when prescribed and dispensed by an ophthalmologist or optometrist.

- Lenses may be molded or ground, glass or plastic.
- Lenses must be equal in quality to the first-quality lens series made by American Optical, Bausch & Lomb or Tillyer and Univis.
- The lens blank must meet Z80.1 or Z80.2 standards of the American National Standards Institute.
- The lenses may be colorless or have rose tints #1 or #2 if therapeutically necessary. The provider may charge you for additional tinting other than for necessary rose tints #1 or #2.
- The lens blank of a standard lens must not exceed 60 mm in diameter. The provider may charge you for the difference in cost between standard and oversize lenses.
- If only one lens is needed, we pay half the amount we pay per pair.

We pay for the following special lenses:

- Myodisc
- Lenticular myodisc
- Lenticular aspheric myodisc
- Aphakic
- Lenticular aphakic
- Lenticular aspheric aphakic

We do not pay for aphakic lenses for aphakia (lack of natural lens). These may be covered by your hospital-medical-surgical plan.

We pay for prism, slab-off prism and special base curve lenses when medically necessary.

We pay for the following lens options in-network only:

- Progressive lenses
- Anti-reflective lenses
- UV coating
- Photochromatic lenses

The lens options are not covered out-of-network.

Frames

We pay for standard frames. If you select more expensive frames, the provider may charge you the difference between our approved amount and the provider's charge for the more expensive frames.

Contact Lenses

We pay for a contact lens suitability exam that determines whether you can wear contact lenses. The fee for this exam is included in the allowance for the contact lenses. The exam may include:

- Biomicroscopic evaluation
- Lid evaluation
- Ophthalmoscopy
- Tear test
- Pupil evaluation
- Fluorescein evaluation
- Cornea evaluation
- Lens tolerance tests

We pay for medically necessary contact lenses, less your copayment, when provided in-network. Contact lenses are considered medically necessary if:

- They are the only way to correct vision to 20/70 in the better eye or
- They are the only effective treatment to correct keratoconus, irregular astigmatism or irregular corneal curvature.

Our approved amount for non-medically necessary contact lenses is less than our approved amount for medically necessary contact lenses. You pay the difference between this amount and the provider's charge.

If only one lens is needed, we pay half the amount we pay per pair.

We do not pay for cosmetic contact lenses that do not improve vision.

Section 4: Vision Care Services Not Covered

The services listed in this section are in addition to all other services we do not cover, which are stated elsewhere in this certificate.

Section 5: General Conditions of Your Contract

This section explains the conditions that apply to your certificate. They may make a difference in how, where and when benefits are available to you.

Assignment

Benefits covered under this certificate are for your use only. They cannot be transferred or assigned. Any attempt to assign them will automatically terminate all your rights under this certificate. You cannot assign your right to any payment from us, or for any claim or cause of action against us, to any person, provider, or other insurance company.

We will not pay a provider except under the terms of this certificate.

Change of Beneficiary

Unless the insured makes an irrevocable designation of beneficiary, the insured has the right to change the beneficiary under this policy. Consent of a beneficiary is not required to surrender this policy, for the assignment of the policy, to change a beneficiary, or to make any other changes in the policy.

Changes in Your Address

You must notify us of any changes in your address. An enrollment/change of status form should be completed when you change your address.

Changes in Your Family

You must notify us of any changes in your family. Changes include marriage, divorce, birth, death, adoption, or the start or end of military service.

We must receive notice from you within 60 days of when a dependent or spouse is removed from coverage, and within 60 days of when a dependent or spouse is added. Contract changes take effect as of the date of the event.

Changes to Your Certificate

BCBSM employees, agents or representatives cannot agree to change or add to the benefits described in this certificate.

- Any changes must be approved by BCBSM and the Michigan Department of Insurance and Financial Services.
- We may add, limit, delete or clarify benefits in a rider that amends this certificate. If you have riders, keep them with this certificate.

Claim Forms

The insurer, upon receipt of a notice of claim, will furnish to the claimant the forms that are usually furnished for filing proofs of loss. If the forms are not furnished within 15 days after the giving of the notice, the claimant is considered to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character, and the extent of the loss for which claim is made.

Coordination of Benefits

We coordinate benefits payable under this certificate per Michigan's Coordination of Benefits Act.

Deductibles, Copayments and Coinsurances Paid Under Other Certificates

We do not pay any cost sharing you must pay under any other certificate. An exception is when we must pay them under coordination of benefits requirements.

Enforceability of Various Provisions

Failure of BCBSM to enforce any of the provisions contained in this contract will not be considered a waiver of those provisions.

Entire Contract; Changes

This certificate, including your riders, if any, is the entire contract of your coverage. No change to this certificate is valid until approved by a BCBSM executive officer. No agent has authority to change this certificate or to waive any of its provisions.

Experimental Treatment

We do not pay for:

- Experimental treatment. This includes experimental drugs and devices
- Services and administrative costs related to experimental treatment
- Costs of research management

How BCBSM Determines if a Treatment Is Experimental

If a treatment is not covered under this certificate, BCBSM's medical director will determine if it is experimental. The director may decide it is experimental if:

Medical literature or clinical experience cannot say whether it is safe or effective for treatment of any condition, or

- It is shown to be safe and effective treatment for some conditions. However, there is inadequate medical literature or clinical experience to support its use in treating the member's condition, or
- Medical literature or clinical experience shows the treatment to be unsafe or ineffective for treatment of any condition, or
- There is a written experimental or investigational plan by the attending provider or another provider studying the same treatment, or
- It is being studied in an on-going clinical trial, or
- There is a written informed consent used by the treating provider in which the service is referred to as experimental or investigational or other than conventional or standard treatment.
- The treating provider uses a written informed consent that refers to the treatment as:
 - Experimental or investigational, or
 - Other than conventional or standard treatment.

NOTE

The medical director may consider other factors.

Experimental Treatment (continued)

When available, these sources are considered in deciding if a treatment is experimental under the above criteria:

- Scientific data (e.g., controlled studies in peer-reviewed journals or medical literature)
- Information from the Blue Cross and Blue Shield Association or other local or national bodies
- Information from independent, nongovernmental, technology assessment and medical review organizations
- Information from local and national medical societies, other appropriate societies, organizations, committees or governmental bodies
- Approval, when applicable, by the FDA, the Office of Health Technology Assessment (OHTA) and other government agencies
- Accepted national standards of practice in the medical profession
- Approval by the hospital's or medical center's Institutional Review Board

NOTE

The medical director may consider other sources.

Services That Are Payable

We do pay for experimental treatment and its related services when **all** of the following are met:

- BCBSM considers the experimental treatment to be conventional treatment when used to treat another condition (i.e., a condition other than what you are currently being treated for).
- The services related to the experimental treatment are covered under your certificate when they are related to conventional treatment.

Limitations and Exclusions

- This general condition does not add coverage for services not otherwise covered under your certificate.

Fraud, Waste and Abuse

We do not pay for the following:

- Services that are not medically necessary; may cause significant member harm; or are not appropriate for the member's documented medical condition;
- Services that are performed by a provider who is sanctioned at the time the service is performed.

Sanctioned providers have been sanctioned by BCBSM, the Office of the Inspector General, the Government Services Agency, the Centers for Medicare and Medicaid Services, or state licensing boards.

BCBSM will notify you if any provider you have received services from during the previous 12 months has been sanctioned. You will have 30 days from the date you are notified to submit claims for services you received prior to the provider being sanctioned. After that 30 days has passed, we will not process claims from that provider.

Genetic Testing

We will not:

- Adjust premiums for this coverage based on genetic information related to you, your spouse or your dependents
- Request or require genetic testing of anyone covered under this certificate
- Collect genetic information from anyone covered under this certificate at any time for underwriting purposes
- Limit coverage based on genetic information related to you, your spouse or your dependents

Grace Period

A grace period of 31 days will be granted for the payment of each premium falling due after the first premium, during which grace period the coverage shall continue in force.

Improper Use of Contract

If you let an ineligible person receive benefits (or try to receive benefits) under this certificate, we may:

- Refuse to pay benefits
- Terminate or cancel your coverage
- Begin legal action against you
- Refuse to cover your vision care services at a later date

Notice of Claim

Written notice of claim must be given to the insurer within 20 days after the occurrence or commencement of a loss covered by the policy, or as soon after the loss as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at Blue Cross Blue Shield of Michigan, 600 E. Lafayette, Detroit, MI 48226 or to any authorized agent of the insurer, with information sufficient to identify the insured, is considered notice to the insurer.

Notification

When we need to notify you, we mail it to you or your remitting agent. This fulfills our obligation to notify you.

Payment of Claims

Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting the payment, which may be prescribed in this policy, and effective at the time of payment. If a designation or provision is not in effect, the indemnity is payable to the estate of the insured. Other accrued indemnities unpaid at the insured's death may, at the option of the insurer, be paid either to the beneficiary or to the estate. All other indemnities are payable to the insured.

Payment of Covered Services

The services covered under this certificate may be combined and paid according to BCBSM's payment policies.

Personal Costs

We will not pay for:

- Transportation and travel, even if recommended by an ophthalmologist
- Care, services, supplies or devices that are personal or convenience items
- Charges to complete claim forms
- Domestic help

Physical Examination and Autopsy

The insurer at its own expense has the right and must be given the opportunity to examine the insured at reasonable times and as frequently as reasonably required during the pendency of a claim under this policy and to make an autopsy in case of death if not forbidden by law.

Physician of Choice

You may continue to get services from the physician you choose. However, be sure to get services from an in-network physician to avoid out-of-network costs to you.

Prior Authorization

Some vision benefits services require prior authorization before you receive them. If you receive those services without first obtaining prior authorization, you may have to pay the bill yourself. We may not pay for it. It is important to make sure that your provider gets the prior authorization before you receive the services.

Proofs of Loss

Written proof of loss must be furnished to the insurer at its designated office. Proof of loss for a claim for loss for which this policy provides any periodic payment that is contingent upon continuing loss must be furnished within 90 days after the termination of the period for which the insurer is liable. Proof of loss for a claim for any other loss must be furnished within 90 days after the date of the loss. Failure to furnish the proof within the time required under this provision does not invalidate or reduce the claim if it was not reasonably possible to give proof within the time required if the proof is furnished as soon as reasonably possible and, unless the claimant is legally incapacitated, not later than one year after the time proof is otherwise required.

Refund of Premiums

If we determine that we must refund a premium, we will refund up to a maximum of two years of payments.

Reinstatement

If any renewal premium is not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by an agent duly authorized by the insurer to accept the premium, without requiring in connection with the acceptance of the premium an application for reinstatement, is a reinstatement of the policy. However, if the insurer or its agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy is reinstated upon approval of the application by the insurer or, if not approved by the insurer, on the forty-fifth day after the date of the conditional receipt unless the insurer has previously notified the insured in writing of its disapproval of the application. Under the reinstated policy, the insurer will cover only loss resulting from accidental injury that is sustained after the date of reinstatement and loss due to sickness that begins more than 10 days after that date. In all other respects, the insured and insurer have the same rights under the policy as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed on the policy or attached to the policy in connection with the reinstatement. The insurer will apply any premium accepted in connection with a reinstatement to a period for which premium has not been previously paid, but not to any period more than 60 days before the date of reinstatement.

Release of Information

You agree to let providers release information to us. This can include medical records and claims information related to services you may receive or have received. **We agree** to keep this information confidential. Consistent with our Notice of Privacy Practices, this information will be used and disclosed only as authorized by law.

Reliance on Verbal Communications

If we tell you a member is eligible for coverage, or benefits are available, this does not guarantee that claims will be paid. Claims are paid only after:

- The reported diagnosis is reviewed
- Medical necessity is verified
- Benefits are available when the claim is processed

Right to Interpret Contract

During claims processing and internal grievances, BCBSM reserves the right to interpret and administer the terms of this certificate and any riders that amend it. BCBSM's final adverse decisions regarding claims processing and grievances may be appealed under applicable law.

Services Before Coverage Begins and After Coverage Ends

- We will not pay for any services, treatment, care or supplies ordered or provided before the date on which coverage under this certificate begins.
- We will not pay for any services, treatment, care or supplies ordered or provided after the date on which coverage under this certificate ends. The only exceptions will be for eyeglasses and contact lenses ordered before, but received within 60 days after, coverage ends.

Services That Are Not Payable

We do not pay for services that:

- You legally do not have to pay for or for which you would not have been charged if you did not have coverage under this certificate.
- Are available in a hospital maintained by the state or federal government, unless payment is required by law.
- Can be paid by government-sponsored health care programs, such as Medicare, for which a member is eligible. We do not pay for these services even if you have not signed up to receive the benefits from these programs. However, we will pay for services if federal laws require the government-sponsored program to be secondary to this coverage.
- Are more costly than an alternate service or sequence of services that are at least as likely to produce equivalent results
- That are not listed in this certificate as being payable

Subrogation: When Others Are Responsible for Illness or Injury

If BCBSM paid claims for an illness or injury, and:

- Another person caused the illness or injury, or
- You are entitled to receive money for the illness or injury

Then BCBSM is entitled to recover the amount of benefits it paid on your behalf.

Subrogation is BCBSM's right of recovery. BCBSM is entitled to its right of recovery even if you are not "made whole" for all of your damages in the money you receive. BCBSM's right of recovery is not subject to reduction of attorney's fees, costs, or other state law doctrines such as common fund.

Subrogation: When Others Are Responsible for Illness or Injury (continued)

Whether you are represented by an attorney or not, this provision applies to:

- You
- Your covered dependents

You agree to:

- Cooperate and do what is reasonably necessary to assist BCBSM in the pursuit of its right of recovery
- Not take action that may prejudice BCBSM's right of recovery
- Permit BCBSM to initiate recovery on your behalf if you do not seek recovery for illness or injury
- Contact BCBSM promptly if you seek damages, file a lawsuit, file an insurance claim or demand, or initiate any other type of collection for your illness or injury.

BCBSM may:

- Seek first priority lien on proceeds of your claim in order to fulfill BCBSM's right of recovery
- Request you to sign a reimbursement agreement
- Delay the processing of your claims until you provide a signed copy of the reimbursement agreement
- Offset future benefits to enforce BCBSM's right of recovery

BCBSM will:

- Pay the costs of any covered services you receive that are in excess of any recoveries made

Examples where BCBSM may utilize the subrogation rule are listed below.

- BCBSM can recover money it paid on your behalf if another person or insurance company is responsible:
 - When a third party injures you, for example, through medical malpractice;
 - When you are injured on premises owned by a third party; or
 - When you are injured and benefits are available to you or your dependent, under any law or under any type of insurance, including, but not limited to medical reimbursement coverage.

Subscriber Liability

At the discretion of your provider, certain technical enhancements may be employed to complement a medical procedure. These enhancements may involve additional costs above and beyond the approved maximum payment level for the basic procedure. The costs of these enhancements are not covered by this certificate. Your provider must inform you of these costs. You then have the option of choosing any enhancements and assuming the liability for these additional charges.

Termination of Coverage

You must notify us if you want to terminate your coverage under this certificate. Once you provide us with this notice, your coverage will end on one of the following dates:

- If you notify us at least 14 days before the date you want your coverage to end, your coverage will end on your requested date, or
- If you notify us in less than 14 days before the date you want your coverage to end, we will end it on your requested date only if it is feasible for us to do so, or
- In all other cases, we will end your coverage 14 days after you request that your coverage be terminated.

If we decide to terminate your coverage under this certificate, we may notify you of our decision at least 30 days before your last day of coverage. The notification will include the reason for the termination and the date your coverage will end.

We will not terminate your coverage for any reason other than those listed on Page 6 of this certificate.

Time Limit for Filing Pay-Provider Claims

The time limit for filing these claims is 180 days from the date of service. We will not pay claims filed after that date.

Time Limit for Filing Pay-Subscriber Claims

The time limit for filing these claims is 12 months from the date of service. We will not pay claims filed after that date.

Time Limit for Legal Action

You may not begin legal action against us later than three years after the date of service of your claim. If you are bringing legal action about more than one claim, this time limit runs independently for each claim.

You must first exhaust the grievance and appeals procedures, as explained in this certificate, before you begin legal action. You cannot begin legal action or file a lawsuit until 60 days after you notify us that our decision under the grievance and appeals procedure is unacceptable.

Time of Payment of Claims

Indemnities payable under this policy for a loss other than loss for which this policy provides a periodic payment will be paid immediately upon receipt of due written proof of the loss. Subject to due written proof of loss, all accrued indemnities for loss for which this policy provides periodic payment will be paid immediately and any balance remaining unpaid on the termination of liability will be paid immediately upon receipt of due written proof.

We want you to be satisfied with how we administer your coverage. If you have a question or concern about how we processed your claim or request for benefits, we encourage you to contact Heritage Vision Plans Customer Service. The telephone number is listed on the back of your ID card.

Grievance and Appeals Process

Through Heritage Vision Plans, we have a formal grievance and appeals process that allows you to dispute an adverse benefit decision or rescission of your coverage.

An adverse benefit decision includes a:

- Denial of a request for benefits
- Reduction in benefits
- Failure to pay for an entire service or part of a service
- Rescission of coverage
 - A rescission of coverage is a cancellation or discontinuance of coverage that has retroactive effect, such as a cancellation that treats a policy as void from the time of enrollment.

You may file a grievance or appeal about any adverse benefit decision or rescission within 180 days after you receive the claim denial. The dollar amount involved does not matter.

If you file a grievance or appeal:

- You will not have to pay any filing charges
- You may submit materials or testimony at any step of the process to help us in the review.
- You may authorize another person, including your physician, to act on your behalf at any stage in the standard review process. Your authorization must be in writing. Please call the Heritage Vision Plans Customer Service number 1-800-252-2053 on the back of your ID and ask for a *Designation of Authorized Representative and Release of Information* form. Complete it and send it with your appeal.
- Although we have 60 days to give you our final determination for post-service appeals, you have the right to allow additional time if you wish.
- You do not have to pay for copies of information relating to our decision to deny, reduce, terminate or cancel your coverage.

Grievance and Appeal Process (continued)

The grievance and appeals process begins with an internal review by BCBSM. Once you have exhausted your internal options, you have the right to a review by the Michigan Department of Insurance and Financial Services (DIFS).

You do not have to exhaust the internal grievance process before requesting an external review in certain circumstances if:

- We waive the requirement.
- We fail to comply with the internal grievance process.
 - Our failure to comply must be for more than minor violations of the internal grievance process.
 - Minor violations are those that do not cause and are not likely to cause you prejudice or harm.

Standard Internal Review Process

Step 1: You or your authorized representative sends Heritage a written statement explaining why you disagree with our decision.

Mail your written grievance to:

Heritage Vision Plans
Attn: Customer Service Manager
One Woodward Ave, Suite 2020
Detroit, MI 48226

Step 2: Heritage will contact you to schedule a conference once they receive your grievance. During your conference, you can provide Heritage with any other information you want them to consider in reviewing your grievance. You can choose to have the conference in person or over the telephone. The written decision Heritage gives you after the conference is the final decision.

Step 3: If you disagree with the final decision, or you do not receive the decision within 60 days after Heritage received your original grievance, you may request an external review. See below for how to request a standard external review.

Grievance and Appeal Process (continued)

Standard External Review Process

Once you have gone through the standard internal review process, you or your authorized representative may request an external review.

The standard external review process is as follows:

Within 127 days of the date you receive or should have received the final decision, send a written request for an external review to the Department. You may mail your request and the required forms to:

Department of Insurance and Financial Services
Office of Research, Rules and Appeals
Appeals Section
P.O. Box 30220
Lansing, MI 48909-7720

You may have your request delivered by courier or delivery to:

530 W. Allegan Street, 7th Floor
Lansing, MI 48933

You may also contact the Department with your request by phone, fax, email or online:

Phone: 1-877-999-6442
Fax: 517-284-8838
Email: DIFS-HealthAppeal@michigan.gov
Online: <https://difs.state.mi.us/Complaints/ExternalReview.aspx>

When you file a request for an external review, you will have to authorize the release of medical records that may be required to reach a decision during the external review.

If you ask for an external review about a medical issue and the issue is found to be appropriate for external review, the Department will assign an independent review group to conduct the external review. The group will consist of independent clinical peer reviewers. The recommendation of the independent review group will only be binding on you and us if the Department decides to accept the group's recommendation. The Department will make sure that this independent review group does not have a conflict of interest with you, with us, or with any other relevant party.

Reviews of Medical Issues

Step 1: The Department will assign an independent review group to review your request if it concerns a medical issue that is appropriate for an external review.

- You can give the Department additional information within seven days of requesting an external review.
- We must give the independent review group all of the information we considered when we made a final decision, within seven days of getting notice of your request from the Department.

Grievance and Appeal Process (continued)

Step 2: The review group will recommend within 14 days whether the Department should uphold or reverse our decision. The Department must decide within seven business days whether to accept the recommendation and then notify you of its decision. The decision is your final administrative remedy under the Patient's Right to Independent Review Act of 2000.

Reviews of Nonmedical Issues

Step 1: The Department staff will review your request if it involves nonmedical issues and is appropriate for external review.

Step 2: They will recommend if the Department should uphold or reverse our decision. The Department will notify you of the decision. This is your final administrative remedy under the Patient's Right to Independent Review Act of 2000.

Expedited Internal Review Process

- You may file a request for an expedited internal review if your physician shows (verbally or in writing) that following the timeframes of the standard internal process will seriously jeopardize:
 - Your life or health, or
 - Your ability to regain maximum function

You may request an expedited internal review if you believe:

- We wrongly denied, terminated, cancelled or reduced your coverage for a service before you receive it, or
- We failed to respond in a timely manner to a request for benefits or payment

The process is as follows:

Step 1: Call 1-(800) 252-2053 to ask for an expedited review. Your physician should also call this number to confirm that you qualify for an expedited review.

Step 2: We must give you our decision within 72 hours of getting both your grievance and the physician's substantiation.

Step 3: If you do not agree with the decision, you may, within 10 days of receiving it, request an expedited external review.

Grievance and Appeals Process (continued)**Expedited External Review Process**

If you have filed a request for an expedited internal review, you or your authorized representative may ask for an expedited external review from the Department.

You may request an expedited external review if you believe:

- We wrongly denied, terminated, cancelled or reduced your coverage for a service before you receive it, or
- We failed to respond in a timely manner to a request for benefits or payment

The process is as follows:

Step 1: A request for external review form will be sent to you or your representative with the final adverse determination.

Step 2: Complete this form and mail it to:

Department of Insurance and Financial Services
Office of Research, Rules and Appeals—~~Appeals Section (by mail)~~
Appeals Section
P.O. Box 30220
Lansing, MI 48909-7720

You may have your request delivered by courier or delivery to:

530 W. Allegan Street, 7th Floor
Lansing, MI 48933

You may also contact the Department with your request by phone, fax, email or online:

Phone: 1-877-999-6442
Fax: 517-284-8838
Email: DIFS-HealthAppeal@michigan.gov
Online: <https://difs.state.mi.us/Complaints/ExternalReview.aspx>

When you file a request for an external review, you will have to authorize the release of medical records that may be required to reach a decision during the external review.

Step 3: The Department will decide if your request qualifies for an expedited review. If it does, the Department will assign an independent review group to conduct the review. The group will recommend within 36 hours if should uphold or reverse our decision.

Step 4: The Department must decide whether to accept the recommendation within 24 hours. You will be told of the Department's decision. This decision is the final administrative decision under the Patient's Right to Independent Review Act of 2000.

Pre-Service Appeals

For members who must get approval before obtaining certain health services.

Your plan may require prior authorization of certain health services. If prior authorization is denied, you can appeal this decision.

Please follow the steps below to request a review. If you have questions or need help with the appeal process, please call the Heritage Vision Plans Customer Service number on the back of your ID card.

All appeals must be requested in writing. Heritage Vision Plans must receive your written request within 180 days of the date you received notice that the service was not approved.

Requesting a Standard Pre-Service Review

You may make the request yourself, or your professional provider or someone else acting on your behalf may make the request for you. If another person will represent you, that person must obtain written authorization to do so. Please call the Heritage Vision Plans Customer Service number (1-800-252-2053) on the back of your ID and ask for a *Designation of Authorized Representative and Release of Information* form. Complete it and send it with your appeal.

Your request for a review must include:

- Your contract and group numbers, found on your ID card
- A daytime phone number for both you and your representative
- The patient's name if different from yours
- A statement explaining why you disagree with our decision and any additional supporting information

Once we receive your appeal, then we will provide you with a final decision within 30 days.

Requesting an Urgent Pre-Service Review

If your situation meets the definition of urgent under the law, your request will be reviewed as soon as possible; generally, within 72 hours. An urgent situation is one in which your health may be in serious jeopardy or, in the opinion of your physician, you may experience pain that cannot be adequately controlled while you wait for a decision on your appeal. If you believe your situation is urgent, you may request an urgent review or a simultaneous expedited external review.

See the last section, Expedited External Review, for the steps to follow when asking for a simultaneous expedited external review.

For more information on how to ask for an urgent review or simultaneous expedited external review, call the Heritage Vision Plans Customer Service number (1-800-252-2053) listed on the back of your ID card.

Need More Information?
