**Afternoon Sessions – 1:15 p.m.**

<b>1:15 p.m.</b>	<p><b>d-Nav Service – A Powerful Way to Use Insulin</b> Hygieia, Inc.</p>	<p>Hygieia Inc., based in Livonia, Michigan, has contracted with Blue Cross Blue Shield of Michigan and Blue Care Network to offer its d-Nav Insulin Guidance Service to fully insured Blue Cross PPO members and Blue Care Network HMO members with Type 2 Diabetes using insulin. This session will be a follow up to a breakout session held during the September 2018 PGIP Quarterly. Hygieia will discuss how the service supports primary care physicians and their patients in achieving treatment goals.</p>
	<p><b>HIE Innovations: How providers are using statewide HIE to improve patient care</b> Sharon Kim, Value Partnerships/BCBSM</p>	<p>As the statewide HIE service continues to grow and develop, many providers are developing creative new approaches to using HIE data to improve patient care. This session will give participants the opportunity to hear from their peers about pilots they are implementing under the PGIP HIE Innovation Initiative and help participants better understand the potential of statewide data sharing. Participants will also receive an update on the EHR Vendor Initiative.</p>
	<p><b>Blueprint for Affordability (formerly Pathway to Risk): Provider Reporting</b> BCBSM</p>	<p>Update on provider reporting for Blueprint for Affordability. This session will focus on reporting for the Risk-Bearing OSC program.</p>
